Employability Assessment

To give students a competitive edge, we leveraged various assessments to benchmark their skills against industry requirements and systematically build the technical foundations they need to succeed.

CoCubes Employability Assessment

The CoCubes Employability Assessment was conducted on 25th February 2026 for 192 students of BBA and B.Com of the 2026 Year of Passing (YoP). This assessment enabled students to gauge their employability competencies in key areas, including verbal ability logical reasoning, quantitative aptitude, and computer skills. It served as a valuable platform for students to identify their strengths and areas for improvement, thereby enhancing their preparedness for future career opportunities.

AMCAT Employability Assessment III

The AMCAT Employability Assessment - III was organized on 28th February 2026 for 826 Engineering students of the 2026 YoP.

Career Counselling and Guidance Cell

The Career Counselling & Guidance Cell (CCGC) supports students in making informed career decisions by helping them identify their interests and strengths. It offers guidance on placements, higher studies, entrepreneurship, GATE, and competitive exams through career awareness programmes, counselling sessions and skill-development initiatives, including communication and spoken English support.

Career Guidance Orientation Programme

The Career Counselling & Guidance Cell (CCGC) conducted Career Guidance Orientation on 2nd February 2026 for Biotechnology students and on 9th & 10th February 2026 for ECE students at Vel Murugan Auditorium.

The sessions were handled by Mr. R. Dineshkumar, In-charge, Career Guidance and Counselling Cell Dr. Manoj, Assistant Dean, Campus to Corporate, Dr. M. Saravanan, In-charge, Student Mobility Cell and Mr. Sathyanathan P, Senior Associate, Vel Tech TBI. The programme provided guidance on placements, higher education opportunities, international exposure and entrepreneurship support. The interactive sessions enabled students to gain clarity on career pathways and strengthen their preparedness for future opportunities.

Success Reflections

Name: Vidushini Gnanapragasam

ID: VTU24293

Department: CSE

Company Placed: Innowell Engineering International Pvt Ltd

Reaching this milestone is a proud moment in my journey, and it would not have been possible without the unwavering support and encouragement I received throughout my academic years.

I would like to extend my sincere appreciation to the faculty members, the Campus to Corporate team, my placement guide, and my friends for their constant motivation and valuable guidance. The dedicated training sessions, placement-oriented activities, mock interviews, and skill-development programs helped me strengthen my technical and interpersonal skills and boosted my confidence to navigate the recruitment process successfully.

Vel Tech University has not only enriched me academically but has also helped me grow as an individual. Exposure to practical learning, industry-oriented projects, teamwork, and various co-curricular activities enabled me to develop critical thinking, adaptability, and problem-solving skills that are essential in today's professional environment.

This placement reflects the university's efforts to shape students into competent professionals. I am proud to be a part of an institution that consistently supports its students in achieving their goals and realizing their potential.

As I move forward in my career, I will always value the lessons, experiences, and opportunities that Vel Tech has provided. I sincerely thank the entire university community for being a constant source of inspiration and for playing a vital role in my success.

Name: Koduru Venkata Narayana Reddy

ID: VTU26699

Department: Electrical and Electronics Engineering (EEE)

Company Placed: CMR Green Technology Private Limited

My placement at CMR Green Technology Private Limited marks the beginning of an exciting new chapter in my life, and I am sincerely thankful to Vel Tech University for its role in this achievement. The university has been instrumental in providing me with the knowledge, skills, and opportunities needed to build a strong career foundation.

I would like to express my heartfelt appreciation to the faculty members of the Electrical and Electronics Engineering Department, our respected Head of the Department, and the Campus to Corporate Team for their continuous support and encouragement. Their efforts not only strengthened my academic understanding but also motivated me to pursue my goals with determination and confidence.

The learning experience at Vel Tech has been truly enriching. Through academic coursework, laboratory training, technical projects, and industry-oriented activities, I enhanced my technical proficiency and developed a practical problem-solving approach. These experiences prepared me to meet the expectations of the professional world.

Apart from academics, the university provided numerous opportunities for personal growth. Participation in various activities helped me improve my communication skills, teamwork, leadership abilities, and professional outlook. These qualities have been invaluable in shaping me into a well-rounded individual.

I am proud to have been a part of an institution that consistently strives to empower its students and prepare them for successful careers. As I join CMR Green Technology Private Limited, I carry with me the lessons, values, and experiences gained during my time at Vel Tech.

I extend my sincere gratitude to the entire Vel Tech family for their unwavering support and for helping me achieve this important career milestone.
