Employability
Assessments

To enable students to upgrade their knowledge and skills on par with the industry standards, we leveraged assessments via CoCubes and AMCAT that helped us evaluate their aptitude, technical strengths and their areas of improvement as well.

CoCubes Employability Assessment I - 2026 YOP

A total of 1683 students from the Engineering stream had deep dived in a career oriented assessment on 5th April 2025, in order to strengthen their domain knowledge. This would certainly help us to do a self evaluation, which is predominantly used in the corporate world.

AMCAT Employability Assessment I - 2026 YOP

AMCAT assessment was rolled out to 1954 of our budding Engineers on 30th April 2025, to get a hold of "placement readiness" in terms of technical skills, domain knowledge, logical reasoning, quantitative aptitude, and communication abilities.

Employability
Enhancement Training

Employability Enhancement Training equips students with essential soft skills, communication abilities and industry-relevant knowledge to boost their job readiness. The program focuses on improving interview performance, resume building and overall workplace competence.

General Interview Preparatory Session

Catch a sight of the one-on-one interview sessions scheduled for the 351 students from the Department of Computer Science and Engineering and 83 students from the Department of Electronics and Communication Engineering from 21st April 2025 to 25th April 2025, set to graduate in 2026.

Tech Mahindra Pre-onboarding Preparatory Sessions & Assessments

To evaluate domain-specific expertise, identify areas for improvement and ensure alignment with industry standards, along with CSE department faculty members, we conducted a specialized training program, pre-onboarding preparatory sessions and assessments from 13th March 2025 to 24th April 2025 for 26 students placed in Tech Mahindra, graduating in 2025. This program aimed to strengthen their confidence and technical expertise.

Signing of MoU with Capgemini

We signed an MoU with Capgemini on 4th April 2025 to enhance students' industry readiness through skill development in Mainframe technologies. The partnership includes expert-led training, mentorship, guest lectures, and faculty development programs. This collaboration reinforces Vel Tech's commitment in bridging the gap between academia and industry, ensuring students are equipped for the dynamic job market.

A Memorandum of Understanding (MoU) was formally signed and exchanged between Mrs. Rangarajan Mahalakshmi K., Chairperson & Managing Trustee, Vel Tech and Mr. Allen Gilbert, Executive Vice President, Capgemini. The ceremony was graced by the presence of esteemed institutional dignitaries and key leaders from Capgemini, including Mr. Dhinakar Jacob Selwyn, Vice President, Mr. Swaminathan Santhanam, Senior Director, Mr. Murugan Pachaiyappan, Senior Director, Mr. Sourav Narayan Biswas, Program Manager, and Mr. Thejasvi Kumar N., Manager.

Student interaction with Capgemini Leadership Team

Following the MoU signing ceremony, Capgemini's leadership team held an engaging interactive session with our students. The discussion offered valuable insights into industry trends, career readiness, and the evolving tech landscape. The students participated actively, asked questions, and gained clarity on how to upskill effectively.

Company Visits

Mr. M. Narendran, our Placement Officer, visited a few reputed organizations in Chennai on 4th April 2025 to engage with existing recruiters and strengthen institutional ties. He also met a few of the potential new recruiters and proposed future collaborations, aiming to expand placement opportunities for our students.

Career Path Session by Mr. P. Vijayanand

A guest lecture was organized on 9th April 2025, for CSE students on the topic "Empowering the Future: How Students Can Harness the AI Revolution for Learning and Innovation." Mr. P. Vijayanand, Director of Technical Competence at Worldline Global Services Pvt. Ltd., shared insights on emerging trends in generative AI. The session was interactive, and students acquired valuable knowledge to stay ahead in the evolving tech landscape.

Career Path Session by Mr. Vikram Narayan

A guest lecture was conducted on 10th April 2025, for Biotechnology students, scholars, and faculty on the topic "Role of Microbes in Modern Agriculture." Mr. Vikram Narayan, Director – International Sales at Agri Life, was the key speaker and shared valuable insights on the role of microbes in sustainable farming. The session was highly interactive, and participants gained practical knowledge which are beneficial for academic and research pursuits.

Following the guest lecture, Mr. Vikram Narayan visited the research labs in the Biotechnology Department, where he explored ongoing research initiatives at Vel Tech. The visit led to a meaningful exchange of ideas, with Mr. Vikram offering suggestions on future research directions from an industry perspective. He also interacted with faculty members and shared valuable inputs on curriculum enhancement to align with industry needs.

Nokia HR Visit

Mr. R. Thirukumaran, Talent Attraction Leader and Brand Advocate - Asia, Middle East & Africa at Nokia, visited our campus on 12th April 2025 and engaged in a meaningful discussion on potential collaborations and recruitment opportunities, marking a positive step toward strengthening industry-academiaties.

S2S HR Forum Meet

Our Placement Officers, along with Dr. MSR Mariappan, Dean - School of Management, faculty members, and student representatives, attended the S2S HR Forum Meet organized by local HR professionals on 24th April 2025. The event fostered stronger industry-academia connections and opened avenues for collaboration and engagement with the corporate community.

Student Coordinators Meet

A meeting was held on 28th April 2025 with student coordinators from all departments to brief them on the recruitment process. The session outlined their roles and responsibilities in promoting active student participation in upcoming career compentency training programs and campus recruitment drives, ensuring smoother coordination and better preparedness.
