## Thirukkural

Chapter 62: Perseverance  
Couplet: I

“அருமை உடைத்தென்று அசாவாமை வேண்டும்  
பெருமை முயற்சி தரும்.”

English Translation:

One must strive without hesitation, for ultimate effort brings great honor.

- திருவள்ளுவர்

# Employability Assessments

---

We provide a diverse range of assessments, including AMCAT, CoCubes, eLitmus, and TCS iON etc, to evaluate and analyse students' performance in aptitude and domain-specific skills relevant to industry requirements.

---

## CoCubes Employability Assessment - II

This advanced-level assessment was conducted on 10-Aug-2024 for Engineering students and 29-Aug-2024 for Arts & MBA students, all of whom set to graduate in 2025.

## eLitmus Employability Assessment - I

One of the elite-level assessments organized on 24-Aug-2024 engaging 1127 final year Engineering students.

## TCS iON Digital Assessment – Batch (2021-25)

It is a preparatory assessment conducted for the students to gain experience in digital examinations, paving a success road map for industry readiness. On 27-Aug-2024, 908 final year B.Tech students attended this assessment at TCS iON Digital Zone located in Kovilambakkam, Chennai.

# Career Competency Trainings

We conduct regular career competency trainings, including interview preparatory sessions, group discussions, resume building sessions, technical and aptitude skills, etc., to prepare our students to meet industry expectations.

## **Mu Sigma Pre-Screening Interview**

Catch a sight of the pre-screening interview sessions conducted on 05-Aug-2024 and 07-Aug-2024 for the 144 assessment shortlists.

*Mu sigma Pre-Screening Interview*

## **L&T Technology Services Preparatory Interview**

Here is a glimpse of preparatory one-on-one interview and AI interview sessions conducted on 31-Aug-2024 for the 229 test shortlists.

## *Success Reflections*

**Name :** D. Yasmeen Taj  
**Department:** IV Year - B.Tech - CSE  
**Company placed:** Infosys

It gives me immense pride to share that I have been selected for full-time employment at Infosys through the HackWithInfy competition. This achievement is the culmination of the dedication, support, and encouragement I received from my professors and the resources provided by my institution. The guidance I received was instrumental in my success at HackWithInfy and to showcase the skills I've developed throughout my academic journey.

I am extremely grateful to the faculty members for their mentorship and unwavering support. Vel Tech has been a cornerstone in shaping my professional path, and I will always cherish the invaluable experiences I've gained here.

Thank you, Vel Tech University, for being a driving force in helping me achieve my professional goals!

# Placement Drives

We are committed to creating career opportunities for students and support them in achieving their professional and personal aspirations. Our recruitment processes for the 2020-24 and 2021-25 batches have seen significant improvements.

Company placed: SASKEN

## Success Reflections

I am thrilled to announce that I have secured an offer as an Associate Software Engineer at SASKEN, a milestone I have long dreamt of. This achievement is a testament to the incredible support I received from my professors and the invaluable resources of our institution. From my first day at Vel Tech, I was immersed in a rigorous curriculum that not only built my technical skills but also nurtured to innovate and think critically. The hands-on projects and collaborative environment truly prepared me to meet the demands of the placement process with confidence.

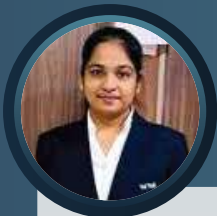

I want to express my heartfelt gratitude to the faculty members for their unwavering mentorship, in shaping my career path. Thank you, Vel Tech, in playing a vital role towards achieving my dreams!

## *Glimpse of TCS Cricket Championship Tournament*

We hosted a cricket tournament for the TCS employees on 31-Aug-2024 and 01-Sep-2024. The event was a success, filled with thrilling matches and outstanding performances.

## *Success Reflections*

**Name :** G. Meghana

**Department:** IV Year - B.Tech. - CSE

**Company placed:** Trane Technologies

I am thrilled to share that I have been offered an internship cum placement opportunity from Trane Technologies as an Engineer Trainee. I want to express my deepest gratitude for the invaluable support fostered by my institution. The guidance, resources, and encouragement from the Office of Campus to Corporate played a significant role in helping me secure this opportunity.

I'm incredibly grateful for the education and experience I gained during my academic journey at Vel Tech University, and I look forward to applying the skills and knowledge I've acquired in my new role.

Thank you for being such a supportive and nurturing environment for my growth and development.

**Name :** K. Keerthi

**Department:** IV Year - B.Tech. - CSE (AIML)

**Company placed:** ADP

I am excited to share that I have been offered an internship + full-time position from ADP as a Quality Assurance Engineer, fulfilling one of my biggest career goals. This achievement would not have been possible without the consistent support, guidance of my professors and the excellent resources provided by the Office of Campus to Corporate.

From day one, I have not only been fostered with concrete foundation in technical skills but also an effective learning environment that nurtured the essential employability skills.

Thank you, Vel Tech, for playing a significant role in shaping my career path.

**Name :** Cheruvupalli Sree Kavya

**Department:** IV Year - B.Tech. - CSE (AIML)

**Company placed:** ADP

I am delighted to announce that I have secured an internship + full-time offer from ADP as a Quality Assurance Engineer. This accomplishment would not have been possible without the steadfast support and guidance of my professors, as well as the outstanding resources provided by our Office of Campus to Corporate.

Throughout my time at Vel Tech University, I have been consistently challenged to grow both academically and professionally. The comprehensive curriculum, alongside practical, hands-on projects, has thoroughly prepared me to meet the demands of the industry. My experience here has sharpened my problem-solving abilities, critical thinking skills, and technical expertise, all of which were pivotal during the placement process.

I am immensely grateful to the faculty members for their mentorship and for the opportunities provided by Vel Tech in shaping my career. I will always cherish my time as a student here.

Thank you, Vel Tech, for your consistent commitment towards students' success.
