Chapter 49: Knowing the Fitting Time

Couplet: 4

ஞாலம் கருதினுங் கைகூடுங் காலம்  
கருதி இடத்தாற் செயின்.

- திருவள்ளுவர்

English Couplet:

The pendant world's dominion may be won,  
By action done at the fitting time and place .

English Translation:

Though one should meditate on the conquest of the world, it may  
be accomplished if they act at the right time and in the right place.

## Virtusa Placement Officers' Meet on Emerging Technology

On 1<sup>st</sup> August, 2025, Virtusa hosted a Virtual Placement Officers' Meet. This strategic session brought together key academic and placement leaders to align on future recruitment plans and explore enhanced opportunities for our students.

The discussions were specifically centered on identifying and nurturing talent from cutting-edge academic domains, particularly Artificial Intelligence & Machine Learning (AI & ML) and Data Science Programs.

Dr. Vijayaraman, Dean, Campus to Corporate, Dr. R. Kavitha, Professor, CSE and Mr. Karupppiah, Placement Officer participated in the meeting: the core objective was to streamline hiring strategies and develop methods to improve student engagement throughout the placement process, ensuring a smoother transition from academia to the professional world.

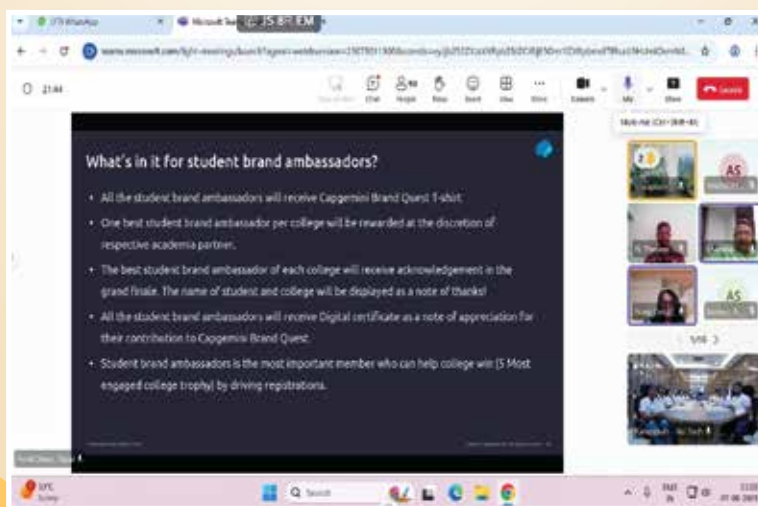

## Our Students Join Capgemini's Brand Quest 2025! Silver Jubilee Celebration

In commemorating Capgemini's 25 years of presence in India, the company has initiated 'Brand Quest 2025': a select group of our students has been chosen to serve as campus ambassadors for this prestigious event. This role offers them a unique chance to build leadership skills and enhance industry visibility.

To ensure our ambassadors are fully prepared, Capgemini conducted a virtual briefing session on 7<sup>th</sup> August, 2025. During this orientation, the key duties and responsibilities of the ambassadors were clearly outlined, specifically focusing on how they will promote the exciting Brand Quest activities across our campus.

Both the officials, Dean Dr. Vijayaraman and Placement Officer Mr. Karuppiah provided encouragement to the selected students, affirming the importance of this role thereby maximizing the impact of Capgemini's silver jubilee initiative on campus.

## Faculty Excellence: Successful Completion of Wipro TalentNext Program

We take great pride in congratulating our distinguished faculty members from the School of Computing Dr. Shahul Hameed Chettali, Dr. K. Prema, and Ms. S. Prema on the successful completion of the prestigious Wipro Talent Next Program, conducted from 18<sup>th</sup> to 29<sup>th</sup> August 2025 at the Wipro facility in Hyderabad.

The program provided valuable, industry-relevant training, enriching participants with contemporary skills and practical insights. The faculty dedication to continuous professional development reflects our institution's unwavering commitment to academic excellence and industry alignment.

## Preparing for Success: LTI Mindtree Conducts Mock Interviews

On 25<sup>th</sup> August 2025, our campus hosted panel members from LTI Mindtree who generously volunteered their time to conduct mock interviews for our graduating cohort.

These sessions, led directly by industry professionals from a major hiring partner, proved to be extremely valuable for our students. The feedback and experience gained in a simulated professional environment significantly aids in boosting their confidence and refining their interview skills as they prepare for the upcoming placement drives.

**Name:** T. Hema Priya

**Department:** IT

**Placement Offer:** Hexaware Technologies

I am happy to share that I have been selected by Hexaware Technologies, marking a proud and memorable milestone in my academic journey. This achievement would not have been possible without the constant guidance of my professors and the dedicated efforts of the Campus to Corporate team.

My experience at Vel Tech University has been enriching and transformative, providing me with opportunities to learn and grow beyond textbooks. From hands-on lab sessions and coding challenges to collaborative team projects, the university has helped me identify my strengths and refine my skills. Alongside academics, the exposure to real-world industry standards has shaped me into a confident and well-prepared professional.

I am sincerely grateful to the faculty members for their invaluable support and to Vel Tech for fostering an environment that encourages students to realize their potential. The lessons, values and experiences gained here will always inspire me as I step into this exciting new phase of my career.

**Name:** G. Dillep

**Placement Offer:** Merit Data and Technology Private Limited

Dear Campus to Corporate Team,

I am delighted to share that I have been successfully placed through Campus to Corporate at Merit Data and Technology Private Limited. This achievement represents a significant milestone in my academic journey due to the consistent effort, learning, and guidance received at Vel Tech Rangarajan Dr. Sagunthala R&D Institute of Science and Technology.

The college has provided me with a strong foundation in both technical and professional skills. The curriculum's focus on real-world projects and continuous skill development enabled me to gain clarity in core concepts and apply them effectively. Exposure to coding activities and team-based assignments helped me develop problem-solving skills and prepare for meeting the industry expectations.

I sincerely thank my faculty members for their mentorship and unwavering support and I express my gratitude to the Office of Campus to Corporate for the placement-oriented training programs, assessments, and interview preparation sessions played a crucial role in enhancing my confidence and overall performance during the recruitment process.

As I begin my professional journey with Merit Data and Technology Private Limited, I carry forward the knowledge, discipline, and values instilled in me by my institution. I am grateful to Vel Tech for providing a learning environment that fosters growth and opens doors to prospective avenues.
