Chapter 10: Speaking Pleasant Words

Couplet: 1

இன்சொலால் ஈரம் அளைஇப் படிநிலவாம்
செம்பொருள் கண்டார்வாய்ச் சொல்
- திருவள்ளுவர்

English Couplet:

Pleasant words are words with all pervading love that burn;
Words from one's guileless mouth who can the very truth discern.

English Translation: Pleasant words fall from the lips of the
virtuous, full of tenderness and free from deceit.

Employability Assessments

We have integrated a variety of assessment tools, including CoCubes and eLitmus. These evaluations have proven instrumental in appraising their aptitude and technical proficiency, thereby ensuring they are thoroughly prepared to fulfill professional exigencies.

CoCubes Employability Assessment I – 2026 Batch

The CoCubes assessment, conducted on the 5th and 26th July 2025, experienced substantial participation of 1,061 and 566 aspiring engineers, respectively, in their quest to enhance their placement preparedness.

eLitmus Employability Assessment I – 2026 Batch

Our ongoing endeavors, which include assessing both the technical and aptitude competencies, eLitmus Assessment-I was administered to 1,087 engineering students on 4th July 2025, followed by an additional batch of 458 engineering students on 19th July 2025.

Placement Preparatory Assessment

By the same token, to adapt a comprehensive approach to the assessment, Placement Preparatory Assessments were meticulously crafted to evaluate the technical, logical, and analytical proficiency of students. These evaluations were conducted on 18th and 21st July 2025 for 714 students of 2026 Year of Passing (YOP).

Employability Enhancement Training

Employability Enhancement Training equips students with necessary soft skills, advanced communication proficiency, and industry-relevant acumen to augment their job preparedness. This program emphasizes the refinement of interview techniques, the art of resume crafting, and the enhancement of overall workplace efficacy.

Career Competency Training

The Career Competency Training (CCT) Phase II for the 2026 YOP was conducted from 9th July 2025 to 29th July 2025, equipping 633 students with vital competencies for successful placement. The training encompassed comprehensive sessions on quantitative aptitude, logical reasoning, verbal proficiency, and problem-solving acumen fastidiously designed to elevate participants' performance during interviews.

A series of initiatives were conducted in July 2025 to strengthen placement readiness among students. CCT Weekly Assessments were held on 3rd July 2025 for the 2026 YOP, engaging 633 students from diverse engineering disciplines to evaluate and develop essential skills aligned with industry expectations. In addition, mock interviews were organized for 633 students on 23rd, 24th, 25th, 29th, and 30th July 2025, inclusive of both behavioral and technical rounds. These sessions provided a wholesome simulated interview experience, enhancing students' confidence and preparedness for upcoming placement processes.

Career Counselling and Guidance Cell

Induction cum Acquaintance Program – July 2025

The School of Freshman Engineering organized an Induction cum Acquaintance (IcA) Program from July 11th to July 29th 2025. This initiative welcomed 27 cohorts of first-year students from diverse disciplines, including the School of Computing (SoC), School of Electrical and Communication Engineering (SoEC), School of Mechanical and Civil Engineering (SoMC), School of Management (SoM), and School of Commerce (SCOM).

The IcA introduced a series of insightful sessions delivered to foster career awareness among students. These sessions highlighted the importance of strategic career planning, explored diverse career pathways, and emphasized the essential skills required for achieving professional success.

Additionally, the program introduced the Graduate Aptitude Test in Engineering (GATE) Examination. This served as an early orientation for students interested in pursuing higher studies, research, and varied competitive opportunities.

Placement Drives

Campus Drives facilitate a seamless shift from education to employment by giving students the chances to start their careers with top organizations. The following details outline the placement drives that took place in July 2025.

Recruitment Drive – 2025 YoP

Recruitment Drive – 2026 YoP

Intellect Design Arena Placement Drive (2nd July 2025)

Affordmed Technologies Placement Drive (7th July 2025)

Virtusa Placement Drive (10th July 2025)

Hexaware Technologies Placement Drive (15th July 2025)

CEI India Placement Drive (16th July 2025)

Kun Aerospace Placement Drive (23rd July 2025)

Contests

We foster a culture of a healthy competition among students, cultivating an environment that enables them to acquire insights that will refine their skill sets for future career opportunities. Below is a compact overview of the contests conducted in July 2025.

Vel Tech Quiz Mania

- In an effort to enhance students' preparedness for the upcoming Capgemini-Brand Quest competition, a thoroughly organized quiz was held on 31st July 2025. This event provided a significant platform for participants to enrich their understanding of essential topics, including company's history, core values, corporate culture, client success narratives, CSR initiatives, and the latest developments of Capgemini. The students were evaluated based on their knowledge and areas of improvement to fortify their overall readiness for the selection process.
- We were profoundly moved by the participation of 166 teams, with the top three being awarded illustrious certificates and monetary accolades.

Events

IcA - Induction-cum-Acquaintance Program

The ICA Program, conducted in July, featured sessions led by professional trainers to guide first-year students as they embarked on their academic journey. The program was structured to familiarize students with the academic environment, ease their transition into a new setting, and provide insights into the wide range of placement opportunities available. The trainers also provided guidance on how students could proactively engage with these prospects from the very inception of their university experience.

HCL Tech - Industrial visit

Our students had the distinct privilege of visiting HCL Tech on 5th July, 2025, when they garnered essential exposure to the intricate business landscape. The visit was characterized by interactive dialogues with industry leaders, who imparted invaluable insights into corporate methodologies. This experience proved to be profoundly engaging and transformative, inspiring students and significantly augmenting their readiness for future career pursuits.

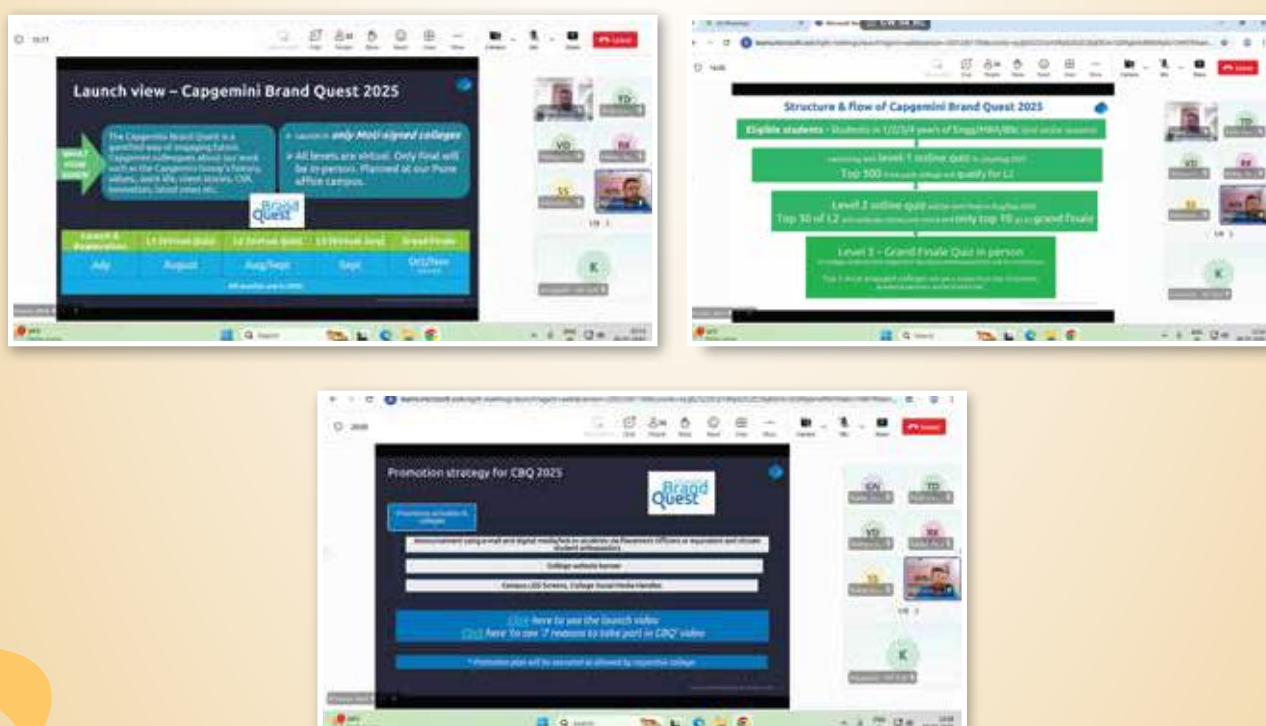

Placement Team with HCL Tech Leaders

Participants with HCL Leaders

Capgemini Brand Quest Meet

The Capgemini Brand Quest 2025 initiative had been unveiled during an interactive session held on 29th July 2025. The session threw light on the program's guidelines and emphasized on the wide-ranging benefits it has been offering to students, including opportunities for industry-oriented learning and career advancement. Our Dean, Dr. Vijayaraman, along with the Placement Officers, gained pivotal clarity about the initiative and its implementation for student engagement.

Movate - Placement Officers Connect

Our campus recruiter, Movate, organised a virtual Placement Officers Connect on 18th July 2025 to discuss the upcoming placement drives and explore new opportunities for students. The session focused on aligning recruitment strategies and enhancing student participation in campus hiring initiatives.

Our Dean, Dr. Vijayaraman and Placement Officer, Mr. Narendran, represented our institution in the connect and shared valuable insights during the discussion. The interaction served as a platform to strengthen recruiter-institution collaboration and ensure better career pathways for our students.

Panasonic Lateral Hiring Drive

We hosted Panasonic lateral hiring drive on 29th July 2025. The drive witnessed participation of 80 candidates across the country, making it vibrant and competitive.

The event strengthened our relationship with Panasonic, reinforcing our commitment to build strong corporate collaborations.

Engaging Session with Matrimony.com

We had the privilege of hosting a leadership team from Matrimony.com, our esteemed campus recruiter, for a productive discussion on future collaborations and recruitment initiatives. The meeting conducted on 31st July 2025, focused on exploring avenues to strengthen industry engagement and planning upcoming campus drives that would create valuable career opportunities for our students.

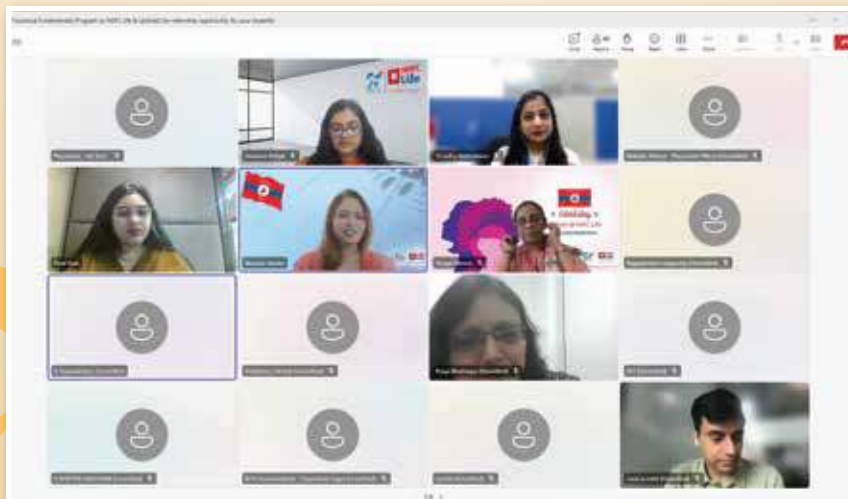

This interaction marked an important step in deepening our partnership with Matrimony.com and aligning efforts toward mutual growth and student success.

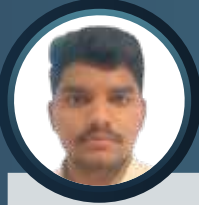

HDFC - TPO Meet

HDFC Life, our campus recruiting partner, anchored a virtual connect on 31st July 2025 with Placement Officers across institutions. The session opened up discussions on upcoming placement drives designed to benefit students.

Representing our institution, Mr. Newton Abraham, Placement Officer, actively contributed to the conversation and shared valuable perspectives. The interaction offered fresh understanding with HDFC Life, building momentum for exciting career opportunities ahead.

Success Reflections

Name: Rentamallu Dayakar
Department: CSE(AIML)
Placement Offer: TATA Electronics

I am thrilled to announce that I have been selected by TATA Electronics, a milestone that marks a proud and defining moment in my academic journey. This achievement would not have been possible without the invaluable guidance of my professors and the unwavering support of the placement team.

My period of time at Vel Tech University has been both enriching and transformative. The university not only strengthened my technical foundation through hands-on labs, projects, and coding challenges but also helped me gear up confidence, teamwork, and problem-solving skills. Exposure to real-world industry practices has equipped me to step into the corporate world with clarity, determination, and readiness.

I am deeply grateful to my faculty mentors and the Office of Campus to Corporate for their constant encouragement and support. The knowledge, values, and experiences gained at Vel Tech will remain a source of inspiration as I begin this exciting new chapter of my career with TATA Electronics.

Name: Garre Seshikala
Department: ECE
Placement Offer: Mahindra & Mahindra

I'm delighted to share that I have been selected by Mahindra & Mahindra as a Graduate Engineer Trainee (GET) in the VES role. This achievement marks a proud breakthrough made possible by the guidance of my professors, the support from the Campus to Corporate team, and the encouragement from the research department. Vel Tech University's enriching environment has been instrumental in shaping my growth and preparing me for real-world challenges. I'm deeply grateful to my mentors and the university for their constant support and inspiration as I begin my professional journey with Mahindra & Mahindra.

Students' Corner

Santosh Kumar

IV year, CSE

This article offers a concise yet comprehensive sheet of various time complexities, along with practical Java code examples and real-world use cases. It aims to simplify the abstract theory behind an algorithmic efficiency for students, enthusiasts, and budding software engineers.

The Path You Choose

The Path to Enlightenment

Sometimes in life, you have to change your path — maybe even your entire field. Not because you're afraid of what lies ahead or because you're a coward. No, it's much deeper than that.

It's because at certain stages of life, your direction needs to shift. Where you stand right now may not be where you are meant to be tomorrow. And so, suddenly you adjust. You change your mind. You change yourself. Your appearance changes, your mindset changes, the way you use social media changes, the way you see the world evolves, even the way you see yourself changes.

With these changes, relationships also shift. The way people view you, speak to you, and react to you transforms. Some words you'll hear will carry encouragement and goodness. Others may carry doubt, criticism, or even toxicity.

- “Stop doing this, it's not your job.”
- “What are you trying to make out now?”
- “You're on the wrong route.”

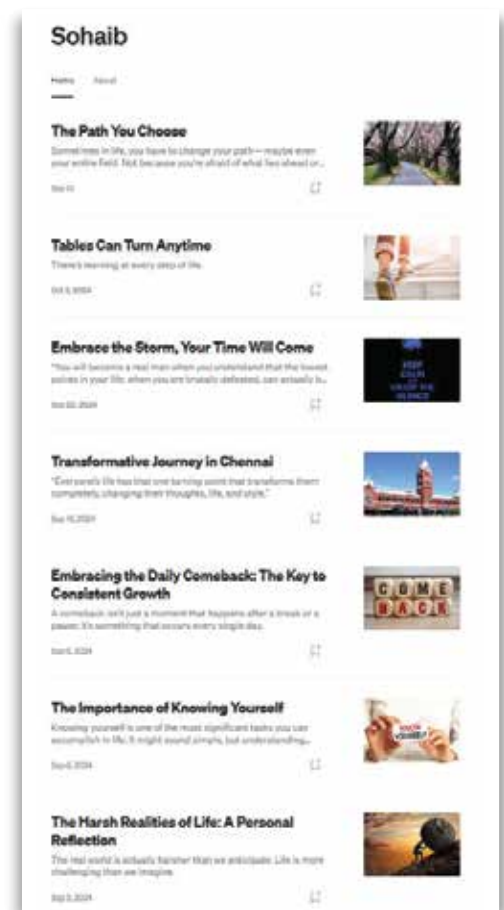

But here's the truth: if you've chosen your path, own it. Don't let the noise distract you. Change your direction only when you feel it is right, not when someone else forces you to.

Life is about evolving, and with each change comes growth. Walk your journey with conviction, and never be afraid of reinvention.
