Chapter 62: Perseverance

Couplet: 1

"கற்க கசடறக் கற்பவை கற்றபின்
நிற்க அதற்குத் தக."

- திருவள்ளுவர்

English Translation:
Master what needs to be learned, and once you've learned it, act in accordance with that knowledge.

Employability
Assessments

We implemented multiple assessments, including AMCAT, Accenture preparatory test, eLitmus etc., to thoroughly evaluate students' aptitude and domain-specific skills, ensuring alignment with industry standards.

eLitmus Employability Assessment - II

This advanced-level assessment was conducted on 13-Sep-2024 for 1223 B.Tech students of 2025 year of passing.

AMCAT Employability Assessment - II

One of the dynamic-level assessments organized on 28-Sep-2024 for 1691 final-year engineering students.

Career Competency
Trainings

We frequently organise comprehensive trainings, encompassing advanced interview preparatory sessions, dynamic group discussions, professional resume building sessions, in-depth technical and aptitude skills, etc., to empower our students with the expertise and confidence to excel in the fast-paced professional sphere.

Renault Nissan Technology Preparatory Interview & Group Discussion

Here is a glimpse of the preparatory interview and group discussion sessions conducted on 11-Sep-2024 for the 72 assessment shortlists.

Infosys Engineering Next Event

Our institution was invited by Infosys to take part in the Infosys Engineering Next Event, one of their annual technical gatherings. This year's theme focused on "Reimagining the World with AI."

Infosys showcased their latest engineering advancements and AI-driven capabilities across various industries. This event provided a great opportunity to:

- Explore industry challenges and solutions
- Nurture future talent through university collaborations
- Discover their transition to an "AI-First" organization

Event Details :

- **Date:** 26-Sep-2024
- **Venue: Infosys limited, Mahindra City**
- **Address:** TP 1/1, Central Avenue Techno Park, SEZ, Mahindra World City, Paranur, Tamil Nadu 603002

Participants :

- **Dr. SP. Chokkalingam,** Dean - School of Computing
- **Dr. V. Dhilip Kumar,** Associate Dean - School of Computing
- **Dr. P. Vijayaraman,** Dean - Campus to Corporate

Highlights of the Event :

- Engaging keynote sessions by industry leaders from the Infosys Engineering Unit
- Paper presentations on current trends and applications in AI-driven engineering
- Solutions showcase by Infosys engineers
- Opportunities for networking and collaboration

Wipro Cerified Faculty Members

Our faculty members have successfully completed an intensive training program conducted by Wipro, earning the title of Wipro Certified Faculty. This comprehensive program focused on cutting-edge technologies, encompassing:

- Data Science
- Database Solutions
- Advanced Technology Program (ATP) on Artificial Intelligence and Machine Learning (AIML)

This certification enhances our faculty members' expertise in emerging trends, empowering them to impart industry-relevant knowledge and skills to our students.

Success Reflections

Name : Mupparaju Neelima
Department : ECE | **Batch :** 2020 - 24
Company placed : LTIMindtree

I would like to take this opportunity to express my gratitude to Vel Tech for their unwavering support in helping me achieve a long-held dream of securing a job offer from LTIMindtree as an Engineer Trainee.

The institution's, along with the management's strong industry connections, has opened numerous doors of opportunity for me and many others. From organizing training sessions to offering continuous motivation, Vel Tech has ensured that we are well-prepared to excel in the competitive job market.

Thank you once again for fostering an environment that encourages growth, success, and a bright future. I am deeply grateful for all you have done to help me reach this milestone.

Name : Upperi Thanuja
Department : AIML | **Batch :** 2021 - 25
Company placed : Micromax

I am excited to announce that I have been offered an internship along with a full-time placement at Micromax. This opportunity marks a pivotal moment in my career, and I am deeply grateful to my professors and the exceptional support system at Vel Tech.

The immersive projects and comprehensive curriculum have played a crucial role in refining my technical acumen, while also enhancing key skills such as leadership, problem-solving, and time management. This seamless integration of theoretical knowledge and practical application equipped me with the confidence and capabilities needed to succeed in the placement process.

Vel Tech's unwavering commitment to academic excellence and its emphasis on innovation have been instrumental in my professional development. I am sincerely thankful to the faculty for their mentorship and guidance throughout this transformative journey.

Thank you, Vel Tech, for empowering me to take this significant step forward in my career!

Name : Siva Chandra Lekha Madithati
Department : ECE | **Batch :** 2021 - 25
Company placed : Airtel

I would like to express my sincere gratitude to Vel Tech for the invaluable support and opportunities provided during my time here. I am exhilarated to share that I have accepted a position as a Graduate Engineer Trainee with Airtel. This achievement is a testament to the steadfast support from my professors and the excellent resources available through our Office of Campus to Corporate initiatives.

I am thrilled to have realized my dream of joining a reputable company with a competitive salary. Our university has equipped me with a strong foundation in both technical and core skills, thanks to its well-structured curriculum and hands-on projects, which effectively prepared me for the challenges of the placement process.

I attribute this success to the university's dedicated efforts and support. I am especially grateful to the faculty for their mentorship, which was crucial in helping me secure this opportunity. Their guidance, industry interactions, and campus placement drives have significantly shaped my career path.

Thank you, Vel Tech, for being an integral part of my journey toward achieving my aspirationachieving my aspirations!

Name : Battula Ashok Kumar
Department : CSE (CS) | **Batch :** 2021 - 25
Company placed : O2h

I have secured an internship and full-time offer from O2h as a Quality Analyst, which has always been my dream job. I could not have achieved this without the constant support and guidance from my professors and the incredible resources provided by our university.

From the very beginning, Vel Tech laid a strong foundation in my technical skills and fostered an environment that encouraged creative thinking and problem-solving. The projects and curriculum were instrumental in preparing me for the challenges I faced during placements.

I am especially grateful to the faculty for their mentorship, which played a significant role in helping me seize this opportunity.
