

# Newsletter from Chancellor's Palace

## THOUGHT OF THE DAY 28.4.2024

- Do not hurt/insult others; instead encourage and forgive
- God does not ask donation from us. Instead, you may help needy and down trodden
- Your old clothes will become new clothes for poor

### Alumni Students Scholarship - funded by Mrs. Ananya Krishnan:

Mrs. Ananya Krishnan, a proud 2007 alumna of our university, from the United States, has graciously offered to support our students P. Akshaya and M. Indira, currently in their first year of biomedical studies at VelTech University, by establishing an Alumni Student Scholarship totaling Rs 40,000/- (forty thousand only). Each student will receive a generous contribution of Rs 20,000 from her scholarship fund.

### Forthcoming Alumni Meets:

Prof. Dr. S. Salivahanan, Vice Chancellor, Vel Tech will grace the occasion at USA

Prof. Dr. B.V.R. Chowdary, Senior Executive Director (Strategic India and Initiatives), National University, Singapore will grace the occasion at Singapore

Co-ordinated by Mrs. D. Kasthuri, Dean i/c - Alumni Relations and Development

### Grants and Rewards:

The Department of ECE has received US \$950 as Rewards and US \$ 9354 as Grants from the IEEE in the academic year 2023-24 by our IEEE society faculty advisors.

### Congratulations:

Dr. Gomathi's Project "Women Involvement in Science and Engineering Research" (WISER), got selected for Virtual presentation on 29th April 2024 at Indo-German Science and Technology Centre, New Delhi.

## Achievements:

**Vel Tech**  
Rangarajan Dr. Sagunthala  
R&D Institute of Science and Technology  
(Deemed to be University Estd. w/s 3 of UGC Act, 1956)

Recognised as  
**CATEGORY-1**  
DEEMED TO BE UNIVERSITY  
by the  
UGC University Grants  
Commission

Office of Research and Development  
**Congratulates**  
**Dr. Saranya A**  
Assistant Professor / Physics

Impact  
Factor  
9.4

Q1

For Publishing the Research article in  
**Journal of Energy Storage**  
**WITH HIGH IMPACT FACTOR**
