8. You and your team members must be physically present at VelTech on **24th Feb 2026** to present your PPT in the prescribed format to a panel of **Jury/ Industry** experts for evaluation.
9. We encourage you to come up with Prototype/ Working model/ Video Demonstration of your project, which has better chances for Employment potential/ Awards/ Prizes etc.
10. **SDG Projects: i.e.** Student projects under 8 themes of SDG (Sustainable Development Goals set by United Nations). namely,

- Affordable and Clean Energy
- Clean Water and Sanitation
- Climate Action
- Industry, Innovation and Infrastructure
- Life Below Water
- Life on Land
- Responsible Consumption and Production
- Sustainable Cities and Communities

Students can choose any problem/ideas of their own and submit project abstract under any of the themes of SDG.(For more details about SDG, please refer to website on <https://sdgs.un.org/goals> as well as www.veltech.edu.in/visai2026/#sdg)

11. Hackathon Projects:

Problem statements given by industries are uploaded in website: [https://veltech.edu.in/visai2026/#hackathon](http://www.veltech.edu.in/visai2026/#hackathon)

Presently 13 Industry **Problem Statements** are uploaded in the website.

- a. Students may select any of the listed problem statements and submit an abstract outlining their proposed solution. The payment for participation must be completed online only, in parallel with the abstract submission.
- b. Upon successful receipt of both the payment and abstract, we will conduct two online sessions—Orientation and Mentoring—led by industry experts. This offers students a rare and valuable opportunity to engage directly with professionals from leading industries. These sessions will enable students to:
 - Gain deeper insights into the problem statements
 - Refine and enhance their proposed ideas
 - Align their solutions with real industry expectations

This collaborative approach ensures a win-win outcome for both students and industry partners, driving impactful and industry-ready solutions.

- c. The initiative also provides students with a real-time experience of the placement ecosystem, helping them understand industry challenges, expectations, and professional evaluation standards. This exposure is designed to equip students with the confidence and preparedness to face similar real-world challenges in their future careers.

12. Hostel Accommodation Regarding:

There will be limited hostel accommodation as the event is one-day event & registration will open after 31st Jan 2026.

13. Payment Regarding:

All payments will be only through online.
