

Society for Small
Satellite Systems

Vel Tech
Rangarajan Dr. Sagunthala
R&D Institute of Science and Technology
(Deemed to be University Estd. u/s 3 of UGC Act, 1956)

**Society for Small Satellite Systems (SSSS) organizes
National Level Workshop on RF systems for Satellite**

In collaboration with

Vel Tech Rangarajan Dr. Sagunthala R&D Institute of Science and Technology

Date

28th July 2018— Saturday

Time

09:00 AM—04:30 PM

Venue

**Vel Tech Rangarajan Dr. Sagunthala
R&D Institute of Science and
Technology , Avadi, Chennai**

[For more info & Registration follow the below link](#)

[Registration link](#)

[Resource Persons](#)

Shri. R. Ramasubramanian

Programme Director, Navigation Programme, URSC,
ISRO.

Shri. K. Sridhar

Scientist—F, SAMEER, Chennai.

[Coordinators](#)

Dr.S. Shiyamala

Associate Professor / Electronics & Communication
Engg. Dept

Dr. T.Kavitha

Associate Professor / Electronics & Communication
Engg. Dept

Society for Small Satellite Systems (SSSS) in collaboration with Vel Tech Rangarajan Dr. Sagunthala R&D Institute of Science and Technology Presents a National Level workshop on

RF System for Satellite

The topics in the workshop will be telemetry, command processing, timing through out the ground station tracking, control of payload, command and monitoring for various frequency bands, RF systems Design considerations and Data communications.

Who should Attend

Undergraduate, Graduate students, Researchers, Faculty members, Scientists, Industry persons from R&D organization and space technology entrepreneurs who are curious in understanding the basics, advancements, dynamics and industry standards of RF communication sub system for satellite.

Registration Fee

	SSSS Member	Non SSSS Member
Student	150	300
Faculty	250	500
Industry Person	500	1000

** Demand draft to be drawn in favor of “Society for Small Satellite Systems” payable at “Chennai”

For Online Transfer

Account number: 380200301000224

IFSC code: VIJB0003802
