B. 53rd BoM Minutes

[Appendix-B Click here](#)

RESOLVED to approve and record the Minutes of the 53rd BoM held on January 7, 2023 is placed at Appendix-B.

54.4 To inform the board about the actions taken based on the minutes of the 53rd BoM meeting held on January 7, 2023.

The Action Taken report on the Agenda items relating to the BoM Meeting held on January 7, 2023 is given below:

Table 1: Action Taken Report

Item No.	Subject	Decision	Action Taken
53.8	To discuss the proposed intake of students to different UG and PG programmes of this Institution for the Academic year 2023-24.	Prof. H.S.Shan suggested that suitable action may be taken to improve the intake of PG students or to wind-up those programmes for which the strength is so poor for the successive two years or so.	The University wishes to run atleast one PG programme per department considering the Research programmes going on. However, the University is taking all steps to improve the intake in PG programmes.
53.10	To discuss the report on the impact of Faculty Retention Scheme in force.	Prof. S.P Thyagarjan emphasised factual analysis in terms of the Ratio between incentives offered and achievements shown in the Research Projects He pointed out that only lesser number of faculty members are coming under A and B categories, whereas 75 % to 80 % are still in the category C which does not reflect the kind of efforts that the Institution is taking.	Taken note of the suggestions by the External Member. Action is being taken to motivate more number of faculty members to undertake projects and inclusion in the A and B categories as well. The initiatives taken in this regard are included in the note submitted by the Dean (QA) under Agenda item no. 54.12.
53.11	To discuss the initiatives taken under various parameters of the IQAC guidelines and the levels of achievements by the Institution.	Prof.S.P.Thyagarjan suggested that nodal officers can be appointed to handle the work of MoUs as it would be much difficult for a VC or a Dean to concentrate on this work amidst hectic academic schedule. He has also pointed out that enrolment of a large number of Part time Ph.D scholars is a point of criticism and the Institution should take all possible steps to increase the strength of full time scholars.	Taken note of the suggestions especially with regard to increase of the intake of full time Ph.D. Scholars. Action is being taken to improve the strength. The initiatives taken in this regard are included in the note submitted by the Dean (QA) under Agenda item no. 54.12.

S. Salivaanan

Table 2: Action Taken Report

Item No.	Subject	Decision	Action Taken
53.15	To report and record the placement and Training activities of the office of the campus to corporate during the academic year 2022-23.	Prof. S.P. Thyagarajan has also pointed out that the data relating to the students who are going abroad after successful completion of GRE /TOEFL examinations and the kind of support that the institution is extending etc. should to be included in the report in future.	Taken note of the suggestion of the External member. The required information will be provided in the report of the office of the Campus to Corporate in future. The Dean (Campus to Corporate) will present a detailed report on this in the Agenda item no. 54.10.

At this juncture, Prof. S.P. Thyagarajan, the External Member states that by virtue of attaining the A++ status, the institution is eligible to be included in the Category I Universities with the eligibility for the grant of Graded Autonomy. The Institutions would be classified under Category I to

- i. start new courses/programmes/Departments under intimation to the UGC.*
- ii. open constituent unit / off campuses within the geographical jurisdiction without approval from the UGC provided that the institute can incur expenditure from its own revenue.*
- iii. start skill courses*
- iv. have freedom to hire foreign faculty on tenure / contracts basis as per the terms and conditions of the statutory body*
- v. offer courses under Distant Mode learning as per the terms and conditions of the statutory body.*
- vi. start off campus centres / study centre as per the terms and conditions of the statutory body.*

Prof. H.S.Shan pointed out the strength of the students of Civil Engineering and PG programmes which are continuously on the decreasing side and he suggested that suitable action may be taken to improve the intake of students or to wind-up those

PG programmes for which the strength is poor for the successive two years or so. The Chairperson assured that necessary action would be taken on this matter.

RESOLVED to approve and record the proposed intake of students to different UG and PG programmes for the Academic Year 2022-23.

53.9 To discuss the draft UGC regulations for the deemed to be universities at the advent of National Education Policy (NEP) 2020.

The Registrar highlighted some important features of the UGC(Institutions deemed to be Universities) 2022 placed at appendix F such as

1. The Chancellor appointed by the Sponsoring body is not eligible for re-appointment.
2. Removal of the position of Pro Chancellor.
3. Vice Chancellor is not eligible for re-appointment.
4. Reduction of the nominees from sponsoring body from 4 to 2 in the Board of Management..
5. No external eminent academics as members on the Board of Management
6. Inclusion of more number of internal faculty members on the Board of Management
7. Corpus fund: 25 crore as against 10 crores in the previous Regulations The tenure of appointment for Registrar, Finance Officer and Controller of Examinations will be 5 years and they are eligible for the second term.
8. Posting of Deans by the Vice Chancellor from amongst the professors from school by rotation in the order of seniority for 3 years.
9. Abolition of Planning and Monitoring Board.
10. Changes in the frequency of conducting statutory meetings in an academic year.

F. UGC draft Regulations

RESOLVED to record the draft UGC regulations for the deemed to be universities at the advent of National Education Policy (NEP) 2020.

53.10 To discuss the report on the impact of Faculty Retention Scheme in force.

Prof. R.S. Valarmathi, Dean (Quality Assurance) presented the impact of the Faculty Retention Scheme in force and pointed out the initiatives taken in this regard in her detailed presentation given at Appendix G.

1. Publication incentives SCI/Scopus publications.
2. Funded Project allocation to faculty members.
3. Allowing faculty members for FDP/Workshops/Seminars.
4. Liberalization in the Revenue sharing between PI and Institute.
5. Categorization of faculty members under A,B,C for inducing them to do Projects
6. Sanction and allocation of SEED money for research purposes
7. Reduction in the faculty exit in the last two years etc.
8. Imparting training to the faculty members in writing research proposals and other guidelines etc.
9. Reducing the academic work load of the faculty members coming under A and B categories by shifting them to Research Park in order to concentrate more on the work related to research and Funded projects with the minimized academic work load.
10. Encouraging faculty members to do Ph.D.

Prof. R.S. Valarmathi presented the revision of pay and increments awarded to the faculty members especially from the Department of CSE and ECE. She also informed that the Exit ratio of faculty members has been considerably reduced in the last two years because of those promotional activities.

Prof.S.P Thyagarajan appreciated the initiative taken in this regard. However he emphasised on Factual analysis in terms of the Ratio between incentives offered and achievements resulted. He pointed out that only lesser number of faculty members are coming under A and B categories, whereas 75 % to 80 % are still in the category C which does not reflect the kind of efforts that the Institution is taking. He suggested to seek possible mechanism for attaining the desired output for which micro analysis is necessary so as to explore what needs to be done to bring out the research talents and to foster project development. Prof. S.P. Thyagarajan has also pointed out the citation number which is very less at the moment indicated under category A is not encouraging, it should be in 100s.

G. Faculty Retention Scheme

RESOLVED to approve and record the report on the impact of Faculty Retention Scheme in force and the suggestions of the external members with regard to Publications, Project Development, Citations and other research activities be taken into consideration for implementation.

53.11 To discuss the initiatives taken under various parameters of the IQAC guidelines and the levels of achievements by the Institution.

Some of the highlights of the detailed presentation of Prof. R.S. Valarmathi, Dean (Quality Assurance) given at Appendix H on various parameters of the IQAC guidelines and the levels of achievements by the Institution are given below:

1. Increase in the student enrolment.
2. Constantly maintaining the Faculty Student Ratio.
3. Increase in the Publication vs citation per faculty with for three years
4. Increase in the percentage of appointment of faculty members with Ph.D.
5. Increase in the MoU executed
6. Increase in the percentage of students admitted vs graduated.

In answering to the query of Dr. Venkataraman regarding MoUs executed in the newer areas, Dr. P. Chandrakumar, Dean (Industry Relations) replied that the most of the MoUs executed are between the Institution and the IT sectors. Prof. E. Kannan has replied to Dr. Venkataraman for his another query relating to the number of Ph.D Scholars by stating that there are 558 Ph.D scholars, out of which 101 are Full time scholars, 178 are Part time Internal scholars and 278 are Part time External scholars.

Prof.S.P Thyagarjan suggested that nodal officers can be appointed to handle the work of MoUs as it would be much difficult for a VC or a Dean to concentrate on this work amidst hectic academic schedule. He has also pointed out that a enrolment of a large number of Part time Ph.D scholars is a point of criticism and the Institution should take all possible steps to increase the strength of full time scholars.

H. IQAC guidelines

RESOLVEDto approve and record the initiatives taken under various parameters of the IQAC guidelines and the levels of achievements reported and the suggestions of the External members be taken into consideration for implementation.

D. Items for Ratification

- 53.12 To ratify the recommendations of the Faculty Selection Committee since last meeting of the BoM held on October 15, 2022.**

Prof. E. Kannan presented the details of the faculty members appointed since last meeting of the BoM held on October 15, 2022 as given below in the Appendix -I.

I. Faculty Selection

RESOLVED to approve and record the details of the faculty members appointed since last meeting of the BoM held on October 15, 2022.

E. Items for Reporting

- 53.13 To report the board with regard to the preparedness of this Institution for the visit of NAAC peer team in last week of January 2023.**

Prof. R.S. Valarmathi, Dean (Quality Assurance) explained as how the Institution is getting ready for the visit of the UGC Peer team in connection with the NAAC accreditation and detailed some of the preparatory arrangements such as the visits to be undertaken to the departments to ascertain the maintenance of laboratory and laboratory equipments, stake holder interaction, inviting external Mock committee, conducting sports in commemoration of 25th year of celebration and fulfilment of other requirement according to different quantitative and qualitative metrics. Prof. S.P. Thyagarajan suggested that the Mock team comprising of expert members need to visit the institution for some kind of academic auditing. The enrolment process for the Academic Bank should be completed and atleast 80% students should have been registered. Prof. S.P. Thyagarajan has also suggested that special emphasis must be given to NAAC Criterion 7 relating to environment, sustainable goals and development etc. and no metric should be left unattended to. The proposal for starting UG 4 year degree course as per the guidelines of NEP 2020 should be presented, if available. Any other proposal in line with the NEP should be presented at the time of discussion.

J. Preparedness for NAAC PTV

RESOLVED to record the report the preparedness of Vel Tech for the visit of NAAC peer team in last week of January 2023.

53.14 To report the sanctioned strength and the count of admitted students for the Academic year 2022-23.

Prof. E. Kannan presented the sanctioned strength and the count of admitted students for the Academic year 2022-23 as per the statements given below:

RESOLVED to approve and record the 40th Academic Council meeting held on October 8, 2022.

52.7 To consider and approve the minutes of the 23rd meeting of the Research Board held on September 24, 2022.

The Dean presented significant decisions taken at the Research Board on the following topics:

1. Grant of exemption from scopus publication for faculty and research scholars of the Dept. of English.
2. Issuance of Transfer Certificates to the research scholars.
3. Award of Rs.10,000/- towards honorarium payable to the research supervisors for their significant contributions.
4. Issuance of certificate of recognition to the outstanding theses and publications.
5. Proposal for offering post doctoral programmes at Vel Tech.

A copy of the Minutes of the 23rd meeting of the Research Board held on September 24, 2022 is given in the Appendix-E.

E. 23rd Minutes of Research Board

Appendix-E Click here

Prof. S.P. Thyagarajan, External member is of the opinion that exemption from publications from scopus indexed journals is a retrogressive attempt in the sense that it would have an adverse effect on maintaining the quality of the institution like Vel Tech. There are lot of journals in the UGC care list for English subject taking into consideration of publications of papers. He pointed out that grant of exemption would also set a bad precedence. With regard to the honorarium to the Research supervisors, he has pointed out that the research work is part and parcel of the faculty members according to the UGC norms and there is no need to pay any extra allowances or honorarium for this work. However, quality publications in reputed international journals can be encouraged with financial support or whatsoever.

Dr.B.Venkataraman, External member echoed the same view and stated that the issue may be dealt with carefully. Speaking on award of honorarium, the External member accepted the proposal for the award of honorarium which must be performance and quality oriented.

Dr.V.Jagdeesh Kumar, External member suggests that the quality of the publications may be checked by forming an expert committee to decide the quality and acceptability of the journals after classifying them under Tier1, Tier2 or Tier3 categories for the purpose of approving them or the BoS may be empowered to decide the quality of publications appropriately.

Prof.H.S.Shan sought clarification as to the procedure adapted in case of issuance of Transfer Certificates to the Ph.D. scholars. Prof.E.Kannan in his reply stated that the practice of issuance of TC to the Ph.D. scholars is not in existence and some of the scholars are demanding transfer certificates for pursuing PG degree programmes after the award of Ph.D. and in such cases, the Post Graduate TCs of their own are returned to them. The Research Board has also not approved issuance of TC for the completion of Ph.D. programme to any scholar.

After elaborate discussions, Prof. S.P.Thyagarajan suggested via media solution by suggesting that the research scholars from specific disciplines wherever there are problems if any, in publishing journals in the scopus may be allowed for publication in the journals coming under UGC care lists taking into consideration of the requirements and parameters of the Ranking and accreditation bodies which are emphasising quality in the research and publications.

RESOLVED to approve the recommendations of the 23rd meeting of the Research Board held on September 24, 2022.

FURTHER RESOLVED to recommend that appropriate journals listed under UGC care list may be taken into consideration for publications in cases wherever there are some specific impediments for scopus publications, as a special case.

ALSO RESOLVED not to recommend the proposal of paying honorarium to the research supervisors for guiding Ph.D. research work and only publications in the quality journals be encouraged and rewarded appropriately..

52.8 To consider and approve the results of the Ph.D. viva-voce conducted since the last BoM meeting held on May 28, 2022.

The details of result of the Ph.D. viva-voce conducted since the last BoM meeting held on May 28, 2022 furnished by the Controller of Examinations are given in the Appendix-F placed below.

It is submitted that it has been proposed to conduct 12th convocation in the month of November 2022. There are 2376 graduands expected to be awarded degrees at the two days 12th convocation. Apart from the regular graduands, it has been decided to honour renowned academicians / scientists at the convocation by conferring on them the honorary degrees (Honorary Causa) in recognition of their outstanding achievements in the areas of Science, Arts, Engineering and Technology.

Invitation has been sent to Prof. V.Kamakoti, Director, Indian Institute of Technology, Madras, Chennai 600 036 for his consent to be the Chief Guest of 12th Convocation Prof. V. Kamakoti has won multiple accolades, including the Abdul Kalam Technology Innovation National Fellowship, 2020 and the DRDO Academy Excellence Award, 2013. He has 44 research publications till date. He is also member of the National Security Advisory Board. The reply from him is awaited. In addition to Dr.V.Kamakoti, it has been decided to confer honorary causa on other eminent personalities at the 12th Convocation. It is also submitted that the honourable members may suggest the names of a few eminent personalities to be considered for the conferment of honorary degrees.

RESOLVED to approve the proposal submitted for the conduct of 12th convocation.

52.10 To consider and approve the award of degrees for the 12th convocation to the successful students of UG & PG and Scholars of Ph.D. programmes, who have passed the qualifying examination.

G (2). Action Plan for 2022-23

[Appendix-G \(2\) Click here](#)

After elaborate discussion on the initiatives taken by the IQAC for the Quality enhancement, Prof. S.P. Thyagarajan pointed out that the outcome of the initiatives with respect to 35 parameters and the level of achievement should be analyzed and the detailed analytical report may be submitted at the forthcoming meeting of the Board of Management for discussion.

Prof. H.S Shan sought clarifications as to whether the practice of awarding or rewarding to the students or faculty members and students for innovative ideas is followed in this institution with special reference to experiments and classroom teaching. If not, he emphasized that the practice must be followed.

Prof. Radhakrishnan suggested that industries must be approached to establish industry-specific R&D labs in the campus and these could be nursery for research park in future. A dedicated faculty member may be entrusted with this task and it should be a round the year job.

RESOLVED that analytical report indicating the outcome of initiatives taken under various parameters of the IQAC guidelines and the levels of achievements be submitted in the forthcoming BoM meeting for discussion and approval.

52.12 To consider and approve the initiatives taken under the Faculty Retention Scheme to curtail the practice of frequent exit of qualified teachers from the Institution.

Prof. Radhakrishnan, the external member requested that a report on detailed study on the impact of the Faculty Retention Scheme may be submitted in the forthcoming meeting of the BoM for discussion.

RESOLVED that a report on the impact of Faculty Retention Scheme in detail be submitted at the forthcoming meeting for discussion.

3.	BCI	E mail dated 07.10.2022 From BCI.	Grant EoA for UG Law programmes of Vel Tech for 2022-23.	Conveyed thankfulness to BCI.

RESOLVED to record the letter received / sent to UGC / AICTE / Government departments in the recent period.

52.19 To report the activities of the non-statutory committees during the academic year 2021-22.

The reports / Minutes of the Non statutory committees are given in the hyperlinks.

1. Faculty grievance and redressal committee
2. Non-teaching staff grievance
3. Anti-ragging committee
4. SPARSH
5. SC / ST grievance redressal committee for staff and students
6. Library committee

RESOLVED to record the activities of the non-statutory committees during the academic year 2021-22. .

F. Concluding

52.20 Any other item with the permission of the Chairperson.

No other items except those included in agenda have been taken up for discussion.

52.21 To consider and approve the date for holding the next BoM meeting during the month of December 2022.

It has been decided to hold the next meeting of the BoM in December 2022..

Vote of Thanks.

Prof. E. Kannan in his vote of thanks, thanked all the members for attending the meeting and actively participated in the discussions. He assured that the suggestions of the members would be incorporated in the Minutes of the Meeting which would be circulated to all the members in due course. He once again thanked he members for their continued support and guidance in the sustained growth of this Institution.

With the Vote of Thanks, the meeting has come to a close.

FIFTY THIRD MEETING OF THE BOARD OF MANAGEMENT
JANUARY 7, 2023 (Saturday)
MODE: ONLINE VIDEO CONFERENCING

ANNOTATED AGENDA

A. Opening

- 53.1 To record the notice convening the 53rd Board of Management (BoM) meeting scheduled on January 07, 2023.
- 53.2 To inform the board about the leave of absence of the members.
- 53.3 To report and record the minutes of the 52nd BoM meeting held on October 15, 2022.
- 53.4 To inform the board about the actions taken based on the minutes of the 52nd BoM meeting held on October 15, 2022.
- 53.5 To report and record the agenda for the 53rd BoM meeting scheduled on January 07, 2023.

B. Items for Consideration and Approval

- 53.6 To consider and approve the minutes of 29th Finance Committee meeting held on November 28, 2022.
- 53.7 To consider and approve the results of the Ph.D. viva-voce conducted since the last BoM meeting held on October 15, 2022.

C. Items for Discussions and Decisions

- 53.8 To discuss the proposed intake of students to different UG and PG programmes of this Institution for the Academic year 2023-24.
- 53.9 To discuss the draft UGC regulations for the deemed to be universities at the advent of National Education Policy (NEP) 2020.
- 53.10 To discuss the report on the impact of Faculty Retention Scheme in force.
- 53.11 To discuss the initiatives taken under various parameters of the IQAC guidelines and the levels of achievements by the Institution.

D. Items for Ratification

- 53.12 To ratify the recommendations of the Faculty Selection Committee since last meeting of the BoM held on October 15, 2022.

E. Items for Reporting

- 53.13 To report the board with regard to the preparedness of this Institution for the visit of NAAC peer team in last week of January 2023.
- 53.14 To report the sanctioned strength and the count of admitted students for the Academic year 2022-23.
- 53.15 To report the placement and Training activities of the office of the campus to corporate during the academic year 2022-23.
- 53.16 To discuss the significant activities of office of the Industry Relations and their proposed activities till May 2023.
- 53.17 To report and record the minutes of the meetings of the following coordinating and advisory committees.
- a) Dial your university (Institution – Parents interaction live programme).
 - b) Student council.
 - c) Hostel discipline committee.
- 53.18 To report and record the letters received from MHRD/ UGC/ AICTE/ BCI since the last BoM meeting held on October 15, 2022 and action taken thereof.
- 53.19 To report and record the Resolutions passed through circulation by the members of BoM with regard to conduct of 12th convocation held on 5th and 6th of November 2022.

E. Concluding

- 53.20 Any other item with the permission of the Chairperson.
- 53.21 To consider and approve the date for holding the next BoM meeting.

Vote of Thanks.

**MINUTES OF THE 29th MEETING
OF FINANCE COMMITTEE
on 28.11.2022 at 12.00 Noon
VENUE : VC CHAMBER Conference**

MEMBERS

- | | |
|--|------------------------------|
| 1. Prof. S. Salivahanan,
Vice Chancellor,
Vel Tech. | Chairperson |
| 2. Mrs. Rangarajan Mahalakshmi Kishore
Chairperson and Managing Trustee,
Vel Tech. | Trust Nominee |
| 3. Prof. Dr. V. Jayasankar,
Dean SoEC,
Vel Tech. | BoM Nominee |
| 4. Prof. Dr. E. Kannan,
Registrar,
Vel Tech. | BOM Nominee |
| 5. UGC Nominee | Name - Not Received from UGC |
| 6. Mr. Sakthi Ajay
Finance Officer,
Vel Tech. | Secretary |

Quorum was present.

The meeting was called to order.

The Vice Chancellor welcomed the members who were present.

The Agenda was taken up for discussion.

The Vice Chancellor presided over the meeting.

29.1 To record the notice of convening 29th Meeting of the Finance Committee scheduled on November 28, 2022.

The Meeting Notice along with the Agenda for the 29th Meeting of the Finance Committee scheduled on November 28, 2022 has been sent to all the members through E Mail. The Agenda of the Meeting is put up at Appendix-A

A. 29th FC Agenda

[Appendix-A Click here](#)

RESOLVED to record the Meeting Notice and the Agenda of the 29th Meeting of the Finance Committee scheduled on 28.11.2022

29.2 To confirm and record the minutes of the meeting of the 28th Finance Committee held on March 30, 2022.

The Minutes of the 28th Meeting of the Finance Committee held on March 30,2022 is placed below [Appendix-B](#)

B. 28th FC Minutes

[Appendix-B Click here](#)

RESOLVED to approve the Minutes of the 28th Meeting of the Finance Committee held on March 30, 2022.

29.3 To review the Action Taken Report on the decisions taken at the 28th Meeting of the Finance Committee held on March 30, 2022.

The Action Taken Report on the items of the previous Finance Committee meeting held on March 30, 2022 is given below:

Table1: Action Taken Report

Item.No	Item	Decision Taken	Action Taken
28.6	To discuss and approve the recommendations of the Fees Fixation Committee for implementation from 2022-23 onwards.	The committee has approved the recommendations of the Fees Fixation Committee for implementation from 2022-23 onwards.	Being Implemented.
28.7	To discuss and approve the Proposed Budget for the Financial year 2022-23.	The committee has approved the Proposed Budget for the Financial year 2022-23.	The copies of the budget have been sent to the Deans and HoDs for information and further action.

RESOLVED to approve the action taken report on the Minutes of the 28th Meeting of the Finance Committee held on March 30, 2022.

29.4 To approve and record the actual expenditure against the budget and committed expenditure for the period from April 01, 2022 to October 31, 2022.

The Finance Officer has presented the actual expenditure against the budget allocations under different account heads for the period from April 01, 2022 to October 31, 2022 and the status of the funds availability in the respective account heads in detail at Appendix-C.

The Finance Officer has highlighted that in some of the account heads, the expenditure shown are found to be in excess and in some cases, the allocation of funds has not been fully or partially utilized. The Members after examining these facts, have come to a conclusion that re-appropriation of funds allocations can be made based on the merits without detrimental to the overall budget and the finance officer shall submit the budget re-appropriation for ratification of the Finance Committee after the completion of this process.

C. Actual Expenditure

[Appendix-C Click here](#)

RESOLVED to request the Finance officer to submit the re-appropriation of the budget allocations based on merits without detrimental to the overall budget and submit the same at the ensuing meeting of the Finance Committee for ratification.

29.5 To record and approve the half-yearly Balance Sheet for the financial year 2022-23.

The half-yearly Balance Sheet for the financial year 2022-23 is placed in at Appendix-D.

The Finance officer has presented the half-yearly Balance Sheet for the financial year 2022-23 with all supporting documents.

D. Half-Yearly Balance Sheet

[Appendix-D Click here](#)

RESOLVED to approve and record the half-yearly Balance Sheet for the financial year 2022-23.

29.6 Any other subject with the permission of the Chairperson.

No item other than the items included in the approved Agenda has been taken up for discussion.

29.7 To fix the date for holding the next Finance Committee Meeting.

It has been decided to hold the next meeting of the Finance Committee in March 2023 and the exact date of the meeting would be intimated to the members in due course.

VOTE OF THANKS

The Finance Officer thanked all the members for their active participation in the meeting and for their valuable suggestions. He has profusely thanked all the staff for their support and co=operation to finalise the budget for 2022-23.

With the Vote of Thanks, the meeting came to a close.

BVR Mohan Reddy, Founder Chairman - Cyient

Dr. BVR Mohan Reddy is a visionary who firmly placed India on the global engineering, research and development (ER&D) services map by establishing Cyient (formerly Infotech Enterprises) in 1991. His efforts led Cyient to contribute more than \$5 billion in cumulative exports from India to several global clients, including many Fortune 100 companies. His efforts led to the creation of jobs for engineering professionals across 14 countries.

Dr. Reddy served as the Chairman of NASSCOM (National Association of Software & Service Companies) during 2015-16. He served as the Chairman of CII, Southern Region (2008-2009), and currently the **Chairman of CII Education Council**. Dr. Reddy is also the Founding Director of **T-Hub**, the largest start-up incubation center in the country.

Dr. Reddy took up several leadership positions to promote higher education in the country. He is currently the **Chairman of the Board of Governors of IIT-Hyderabad** and also **IIT-Roorkee**, is a member of the Leadership Advisory Board (LAB) at the **University of Michigan College of Engineering**, USA, and a member of the Court of Governors of **Administrative Staff College of India (ASCI)**.

Dr. Reddy has Chaired the *Evaluation Committee* of **Atal Ranking of Institutions of Innovation Achievements 2019 (ARIIA)** constituted by Ministry of HRD.

Dr. Reddy received India's fourth-highest civilian award—the **Padma Shri**—in 2017 for his contribution to trade and industry. He is the recipient of the Distinguished Leadership Award of the **American Society of Mechanical Engineers (CIE Division)**. He was conferred Lifetime Achievement Awards from Hyderabad Management Association (HMA), Hyderabad Software Enterprises Association (HySEA) and the Centre for Organization Development (COD) recognizing his industry leadership, corporate excellence, and institution building. He is the recipient of Distinguished Alumnus Award from IIT, Kanpur and is a fellow of the **Institution of Engineers (India)**.

Dr. Reddy holds postgraduate degrees from IIT-Kanpur, and University of Michigan, USA. He is also the recipient of five honorary doctorates.

Ethernet protocol - Embedded protocols (10212EC111) 3. High speed networks - High Performance communication Networks (10212EC114) 4. 4G and 5G - Wireless Communication (10211EC112), MIMO Wireless Communication (10212EC203), Wireless Communication Technologies (10213EC112)

The Council approved the Action Taken Report.

41.4 To record leave of absence of the members.

The following member have expressed their inability to attend the meeting due to various reasons.

* **Prof. N.V. Ramana Rao**

Director, National Institute of Technology,
Warangal.

* **Dr. Shankar Venugopal,**

Vice President, Technology Innovation & KM,
Dean – Mahindra Technical Academy Mahindra World City,

* **Mr. Ramakrishna,**

Chief Executive Officer and Managing Director,
Effronics Systems Pvt.Ltd., Vijayawada.

* **Dr. V.Jayasankar,**

Professor,
Dept of Electrical and Electronics Engineering,
Vel Tech Rangarajan Dr.Sagunthala R & D Institute of Science and Technology.

* **Dr. Malarvizhi,**

Professor, Dept. of Computer Science and Engineering
Vel Tech Rangarajan Dr. Sagunthala R & D Institute of Science and Technology.

* **Mrs. Lilly Victoria A**

Assistant Professor, School of Law,

Vel Tech Rangarajan Dr. Sagunthala R & D Institute of Science and Technology.

The Chair has noted their leave of absence.

B. Items for Discussion

41.5 To consider and approve the minutes of the Board of Studies in the following programmes

1. Under Graduate Programme

1. Engineering and Technology - Under Graduate & Post Graduate Programmes

A. Bio Medical Engineering

The Vice Chancellor, placed before the Academic Council to consider the recommendations of the 9th Board of Studies of Department of Bio Medical Engineering for **B.Tech. Bio Medical Engineering** to be implemented with effect from the Winter Semester of the Academic Year 2022-23.

Dr. N.M. Masoodhu Banu, Professor & Head, Department of Bio Medical Engineering, presented the recommendations of the 9th meeting of the Board of Studies conducted on January 18, 2023.

The Minutes of the BoS meeting can be accessed [here](#)

Appendix BIOMED

Dr. N.M. Masoodhu Banu, Professor & Head, Department of Bio Medical Engineering, moved the recommendations of the 9th Board of Studies of **B.Tech. Bio Medical Engineering** to be implemented with effect from the winter Semester of the Academic Year 2022-23, be approved.

Dr. Manoj.V.R, Associate Professor & Head, Department of Bio Technology, seconded it.

The motion was carried.

B. Biotechnology

The Vice Chancellor, placed before the Academic Council to consider the recommendations of the 9th Board of Studies of Department of Biotechnology for **B.Tech.**

Biotechnology to be implemented with effect from the Winter semester of the Academic Year 2022-23.

Dr. V. Manoj, Associate Professor & Head, Department of Biotechnology, presented the recommendations of the 9th meeting of the Board of Studies conducted on January 04, 2023.

The Minutes of the BoS meeting
can be accessed [here](#)

Appendix Biotech

Dr. V. Manoj, Associate Professor & Head, Department of Biotechnology, moved the recommendations of the Board of Studies of B.Tech. Biotechnology to be implemented with effect from the Winter semester of the Academic Year 2022-23, be approved.

Dr. N.M. Masoodhu Banu, Professor & Head, Department of Bio Medical Engineering, seconded it.

The motion was carried.

C. B.Tech. Electrical and Electronics Engineering

The Vice Chancellor, placed before the Academic Council to consider the recommendations of the 29th Board of Studies of Department of Electrical and Electronics Engineering for **B.Tech. Electrical and Electronics Engineering** to be implemented with effect from the Winter semester of the Academic Year 2022-23.

Dr.P.Chandrasekar, Professor & Head, Department of Electrical and Electronics Engineering, presented the recommendations of the 29th meeting of the Board of Studies conducted on December 12,2022.

The Minutes of the BoS meeting
can be accessed [here](#)

Appendix EEE

Dr.P.Chandrasekar, Professor & Head, Department of Electrical and Electronics Engineering, moved the recommendations of the 29th Board of Studies of **B.Tech. Electrical and Electronics Engineering** to be implemented with effect from the Winter semester of the Academic Year 2022-23, be approved.

Dr. Amala Justus Selvam, Professor & Head, Department of Automobile Engineering, seconded it.

The motion was carried.

D. B.Tech. Computer Science & Engineering

The Vice Chancellor, placed before the Academic Council to consider the recommendations of the 36th Board of Studies of Department of Computer Science & Engineering for **B.Tech. (Computer Science & Engineering)** to be implemented with effect from the Winter semester of the Academic Year 2022-23.

Dr.M.S.Muralidhar, Associate Professor & Head, Department of Computer Science & Engineering, presented the recommendations of the 36th meeting of the Board of Studies conducted on February 25,2023.

*The Minutes of the BoS meeting
can be accessed [here](#)*

Appendix CSE

- Members suggested to improve the MOOC course percentage in every semester.

Dr.M.S.Muralidhar, Associate Professor & Head, Department of Computer Science & Engineering, moved the recommendations of the 36th Board of Studies of **B.Tech. Computer Science & Engineering** to be implemented with effect from the Winter semester of the Academic Year 2022-23, be approved.

Dr. R. Jagan Raj, Associate Professor & Head, Department of Aeronautical Engineering, seconded it.

The motion was carried

E. B.Tech. Artificial Intelligence and Data Science

The Vice Chancellor, placed before the Academic Council to consider the recommendations of the 3rd Board of Studies of Department of Artificial Intelligence and Data Science for **B.Tech. Artificial Intelligence and Data Science** to be implemented with effect from the Winter semester of the Academic Year 2022-23.

*The Minutes of the BoS meeting
can be accessed [here](#)*

Appendix AI&DS

Dr. V. Dhilip kumar, Associate Professor & Head, Department of Artificial Intelligence and Data Science, presented the recommendations of the 3rd meeting of the Board of Studies conducted on October 29,2022.

- Members suggested to add more number of courses in Telecommunication area.
- Members suggested to add 5G technology courses in the curriculum.

Dr. V. Dhilip kumar, Associate Professor & Head, Department of Artificial Intelligence and Data Science, moved the recommendations of the 3rd Board of Studies of B.Tech. Artificial Intelligence and Data Science to be implemented with effect from the Winter semester of the Academic Year 2022-23, be approved.

Dr.P.Chandrasekar, Professor & Head, Department of Electrical & Electronics Engineering, seconded it.

The motion was carried

F. B.Tech. Artificial Intelligence and Machine Learning

The Vice Chancellor, placed before the Academic Council to consider the recommendations of the 3rd Board of Studies of Department of Artificial Intelligence and Machine Learning for **B.Tech. Artificial Intelligence and Machine Learning** to be implemented with effect from the Winter semester of the Academic Year 2022-23.

Dr. N. R. Rajalakshmi, Associate Professor & Head, Department of Artificial Intelligence and Machine Learning , presented the recommendations of the 3rd meeting of the Board of Studies conducted on October 29, 2022.

*The Minutes of the BoS meeting
can be accessed [here](#)*

Appendix AI&ML

Dr. N. R. Rajalakshmi, Professor & Head, Department of Artificial Intelligence and Machine Learning, moved the recommendations of the 3rd Board of Studies of **B.Tech. Artificial Intelligence and Machine Learning** to be implemented with effect from the Winter semester of the Academic Year 2022-23, be approved.

Dr.P.Esther Rani, Professor & Head, Department of Electronics and Communication Engineering, seconded it.

The motion was carried

G. B.Tech. Computer Science and Design

The Vice Chancellor, placed before the Academic Council to consider the recommendations of the 3rd Board of Studies of Department of Computer Science and Design for **B.Tech. Computer Science and Design** to be implemented with effect from the Winter semester of the Academic Year 2022-23.

*The Minutes of the BoS meeting
can be accessed [here](#)*

Dr. R. Parthasarathy, Associate Professor & Head, Department of Computer Science and Design , presented the recommendations of the 3rd meeting of the Board of Studies conducted on October 29, 2022.

Appendix CSD

Dr. R. Parthasarathy, Associate Professor & Head, Department of Computer Science and Design, moved the recommendations of the 3rd Board of Studies of **B.Tech. Computer Science and Design** to be implemented with effect from the Winter semester of the Academic Year 2022-23, be approved.

Dr. M. Sivakumar, Professor & Dean, Freshman Engineering, seconded it.

The motion was carried.

H. B.Tech. Computer Science and Engineering (Cyber Security)

The Vice Chancellor, placed before the Academic Council to consider the recommendations of the 1st Board of Studies of Department of Computer Science and Engineering (Cyber Security) for **B.Tech. Computer Science and Engineering (Cyber Security)** to be implemented with effect from the Winter semester of the Academic Year 2022-23.

Dr. M. Kavitha, Professor, Department of Computer Science and Engineering , presented the recommendations of the 1st meeting of the Board of Studies conducted on October 22, 2022.

*The Minutes of the BoS meeting
can be accessed [here](#)*

Appendix CSE(CS)

Dr. M. Kavitha, Professor, Department of Computer Science and Engineering, moved the recommendations of the 1st Board of Studies of **B.Tech. Computer Science and Engineering (Cyber Security)** to be implemented with effect from the Winter semester of the Academic Year 2022-23, be approved.

Dr. A. Subrahmanyam, Professor & Dean, School of Law, seconded it.

The motion was carried

I. B.Tech. Computer Science and Engineering (Data Science)

The Vice Chancellor, placed before the Academic Council to consider the recommendations of the 1st Board of Studies of Department of Computer Science and Engineering (Data Science) for **B.Tech. Computer Science and Engineering (Data Science)** to be implemented with effect from the Winter semester of the Academic Year 2022-23.

*The Minutes of the BoS meeting
can be accessed [here](#)*

Appendix CSE(DS)

Dr. M. Kavitha, Professor, Department of Computer Science and Engineering , presented the recommendations of the 1st meeting of the Board of Studies conducted on October 22, 2022.

Dr. M. Kavitha, Professor, Department of Computer Science and Engineering, moved the recommendations of the 1st Board of Studies of **B.Tech. Computer Science and Engineering (Data Science)** to be implemented with effect from the Winter semester of the Academic Year 2022-23, be approved.

Dr.G.Sasikala, Professor, Department of Electronics and Communication Engineering, seconded it.

The motion was carried

J. B.Tech. Computer Science and Engineering (Artificial Intelligence and Machine Learning)

The Vice Chancellor, placed before the Academic Council to consider the recommendations of the 1st Board of Studies of Department of Computer Science and Engineering (Artificial Intelligence and Machine Learning) for **B.Tech. Computer Science and Engineering (Artificial Intelligence and Machine Learning)** to be implemented with effect from the Winter semester of the Academic Year 2022-23.

Dr. M. Kavitha, Professor, Department of Computer Science and Engineering, presented the recommendations of the 1st meeting of the Board of Studies conducted on October 22, 2022.

*The Minutes of the BoS meeting
can be accessed [here](#)*

**Appendix CSE
(AI&ML)**

Dr. M. Kavitha, Professor, Department of Computer Science and Engineering, moved the recommendations of the 1st Board of Studies of **B.Tech. Computer Science and Engineering (Artificial Intelligence and Machine Learning)** to be implemented with effect from the Winter semester of the Academic Year 2022-23, be approved.

Dr.R.S. Valarmathi, Professor & Dean - SoEC, seconded it.

The motion was carried

K. B.Tech. Mechanical Engineering

The Vice Chancellor, placed before the Academic Council to consider the recommendations of the 36th Board of Studies of Department of Mechanical Engineering for **B.Tech. Mechanical Engineering** to be implemented with effect from the Winter semester of the Academic Year 2022-23.

*The Minutes of the BoS meeting
can be accessed [here](#)*

Appendix MECH

Dr.N. Lenin, Professor & Head, Department of Mechanical Engineering, presented the recommendations of the 36th meeting of the Board of Studies conducted on January 05, 2023.

Dr.N. Lenin, Professor & Head, Department of Mechanical Engineering, moved the recommendations of the 36th Board of Studies of **B.Tech. Mechanical Engineering** to be implemented with effect from the Winter semester of the Academic Year 2022-23, be approved.

Dr. A. Subrahmanyam, Professor & Dean, School of Law, seconded it.

The motion was carried

• **Law - Under Graduate Programmes**

a) **B.A.,LL.B. and B.Com., LL.B.**

The Vice Chancellor, placed before the Academic Council to consider the recommendations of the 9th Board of Studies of School of Law for **B.A.,LL.B. and B.Com., LL.B.** to be implemented with effect from the Winter semester of the Academic Year 2022-23.

Dr. A. Subrahmanyam, Professor & Dean, School of Law, presented the recommendations of the 9th Board of Studies meeting conducted on January 10, 2023.

*The Minutes of the BoS meeting

The motion was carried and the members approved

41.9 To discuss about to improving the usage of Library resources.

The Vice Chancellor, placed before the Academic Council to discuss about to improving the usage of Library resources.

Dr. Senthil Nayagam.K, Chief Librarian, presented the steps taken/recommended to improved the usage of Library resources.

Members suggested to initiate "Best Library user for the Month" awards among the students, faculty and Non-Teaching members, conduct a competition every month in the library to motivate more students to visit Library. They also suggests to conduct specific technical assignments using the Library resources.

Dr.Senthil Nayagam.K, Chief Librarian, moved that "the discussion about to improving the usage of Library resources", be approved.

Dr.M.Rajeev Kumar, Professor & Dean - Quality Assurance, seconded it.

The motion was carried.

41.10 To discuss the monitoring and evaluation guidelines of Community Service Project which is introduced in the new Regulations VTR UGE 2021 under Independent Learning.

The Vice Chancellor, placed before the Academic Council to discuss the monitoring and evaluation guidelines of Community Service Project which is introduced in the new Regulations VTR UGE 2021 under Independent Learning.

Dr.A.T. Ravichandran, Professor & Dean Academics, presented the guidelines of Community Service Project which is introduced in the new Regulations VTR UGE 2021 under Independent Learning.

The following is the proposed guidelines for monitoring and Evaluation of Community Service Project (course code: 10214 XX 501) offered under the clause 7.2.5.1 of VTR UGE 2021.

- **Objective:**

1. The students will gain practical understanding of real time problems in society and its challenges.
2. Apply their knowledge & skill, and technology available to solve the issue.
3. Students will learn to respond to social and practical needs.

• **Methodology:**

1. Student(s) as a team or individual will be carrying out survey at their location with the local community groups based on the domain knowledge.
2. Students may interact with local government authorities/communities to identify the problems.
3. Suggest a technology driven best solution in term of prototype model development or develop a new solution for solving the societal problems with the support of a faculty guide in the institution.

• **Evaluations:**

1. The community service project will be evaluated for the 100 marks. (Internal – 40, External - 60)
2. The Internal & External evaluations will be done as per clause 8.2.10 & 8.3.6 under the Regulations VTR UGE 2021.
3. The following components may be given due weightage in the evaluation of community service project.
 - a. Survey
 - b. Society relevant problem identification.
 - c. Regular interaction & updates with the local panchayat/community president.
 - d. Novel idea generation.
 - e. Prototype/Development of new solution.
 - f. Documentation via photo, video with authenticated signatures.

MINUTES OF THE 16th MEETING OF THE PLANNING AND MONITORING BOARD

A. Opening

The Chairperson extended a warm welcome to the members especially the external members for participating in the meeting amidst their busy schedules and the internal members. The Chairperson has highlighted some of the significant academic activities took place in the academic year 2022-23 such as Induction programme, commencement of offline classes, 12th convocation, AICTE / BCI approval for the degree programmes, IEEE Seminar, LAVAZA 23 (the intercollegiate cultural student mega fest) Funded projects, Research publications etc. in detail.

The Chairperson informed that he was much elated to inform the august members about the accreditation by the NAAC with A++ to this institution in the second cycle. The proceedings started after the welcome address of the Chairperson.

16.1 To record the notice of convening 16th Meeting of the Planning and Monitoring Board on March 18, 2023.

The meeting notice has been sent to all the members on 01.03.2023 and a copy of the meeting notice is placed at Appendix-A.

A. 16th P&M Meeting Notice

RESOLVED to record the notice convening 16th Meeting of the Planning and Monitoring Board on March 18, 2023.

16.2 To consider the minutes of 15th Meeting of the Planning and Monitoring Board held on March 25, 2022.

A copy of the minutes of the 15th meeting of the Planning and Monitoring Board is placed at Appendix-B.

[Appendix-B Click here](#)

RESOLVED to approve and record the the minutes of 15th Meeting of the Planning and Monitoring Board held on March 25, 2022.

16.3 To review the action taken on the decisions of the previous meeting of Planning and Monitoring Board held on March 25, 2022.

Table 1: Action Taken Report

Item.No	Subject	Decision	Action Taken
15.5	To consider and recommend the establishment of New building facilities / amenities.	The Board has approved the status of establishment of New buildings, facilities / amenities.	The pending construction work of Hostel F Block First floor and Structural lab have been completed.
15.6	To discuss and approve the Strategic Plan 2021-26 of this Institution.	During discussion, the external members suggested to make use of NPTEL, increase the intake of PG Students, conduct more no. of international conferences on yearly basis, and encourage alumni interaction.	Taken note of the suggestions of the external members. The Action Plan has been drawn wherein tasks assigned to different Deans and Heads for the successful implementation of various targets as per the Strategic Plan are demarcated.
15.9	To discuss the activities connected with Industry relations during the academic year 2022-23.	Prof. Ramamurthy suggested that the industry experts handling one or two credit courses related to industries may be designated as Visiting Faculty members under the adjunct faculty scheme in force in many institutions.	In addition to the existing adjunct faculty members, few more adjunct faculty members from Industries have been appointed in 2022-23. Presently the Industry Relations office is utilizing the services of 8 Adjunct faculty members and in the office of the International Relations, there are 48 Adjunct faculty members available.

RESOLVED to approve and record the action taken on the decisions of the previous meeting of Planning and Monitoring Board held on March 25, 2022.

- 16.4 To approve and record the Agenda of the 16th Meeting of the Planning and Monitoring Board on March 18, 2023.

RESOLVED to approve and record the Agenda of the 16th Meeting of the Planning and Monitoring Board on March 18, 2023.

- 16.5 To inform the board about the leave of absence of the members.

The Chairperson informed that Dr. Ligy Philip conveyed his inability attend the meeting due to pre-occupation.

RESOLVED to record the leave of absence of Dr. Ligy Philip.

B. Items for Consideration and Approval

- 16.6 To consider and recommend the establishment of New building facilities / amenities.

Prof. Irudayaraj, Dean, (SoMC) has presented a note on establishment of new building facilities / amenities. and Prof. B.Nagalingeswara Raju, Dean (hostels) presented the details of the Hostel buildings proposed to be constructed in this academic year as in the Appendix -C given below.

Prof. B. Ramamoorthy informed that virtual campus tours are becoming more and more popular The invention, and continued innovation, of virtual reality (VR) technology has allowed colleges and universities to offer virtual campus tours through the website in the home page. Providing a virtual tour that gives an immersive experience of the campus and teaching facilities helps increase enquiries and applications from overseas students and the member suggested that Vel Tech could provide virtual tour covering different schools and other locations like research park, centre of excellence, TBI, laboratories, hostels etc. which might be largely helpful to the viewers intending to know about various facilities and amenities in the institution campus through the Website.

C. Establishment of New Building

RESOLVED to approve the establishment of New building facilities / amenities

16.7 To discuss the proposed intake of students to different UG and PG programmes of this Institution for the Academic year 2023-24.

Prof. E. Kannan, Registrar presented a note on the intake of students to different Under Graduate, Post Graduate programmes of this Institution in Engineering & Technology, Arts, Science, Management and Law for the Academic year 2023-24 as in the table given below:

Prof. B. Ramamoorthy suggests that wherever the department wise intake of students are given, it will be appropriate to mention the department wise FSR ratio also so that it will help to ensure whether the Institution maintaining the prescribed FSR ratio for all programmes or otherwise.

RESOLVED to approve and record the proposed intake of students for different UG and PG programmes of the institution for the academic year 2023-24.the establishment of New building facilities / amenities

16.8 To discuss and introduce the new specialization - Internet of Things (IoT) in B.Tech. (ECE) with the support of Centre of Excellence by Industry.

Dr.P.Chandrakumar Dean (Industry Relations) presented a detailed note on the the programme and modus operandi as in the Appendix-D.

Appendix-D Click here

D. Internet of Things (IoT)

Prof. Shanmugavel states that with a view to enhance the employability skills and impart indepth knowledge in emerging areas which are usually not being covered in Undergraduate Degree credit framework, AICTE has come up with the concept of 'Minor Degree' in emerging areas. Minor Degree will carry 18 to 20 credits in addition to the credits essential for obtaining the Under Graduate Degree in Major Discipline i.e. 160 credits usually especially in areas like Artificial Intelligence and Machine Learning, Cyber Security, Data Science, Internet of Things (IoT) etc.and he suggests that the B.Tech. IoT of Vel Tech industry supported programe may also be on the same norms and guidelines.

Prof. B. Ramamoorthy opines that with the support of Industry partners, Vel Tech can conduct value added courses with certification at the end or to consider it as a minor degree for all disciplines not only for ECE.

RESOLVED to approve the proposal to introduce the new specialization - Internet of Things (IoT) in B.Tech. (ECE) with the support of Centre of Excellence by Industry.

16.9 To discuss and develop the e-content in the form of Videos for minimum of 2 courses in each department in every semester.

Prof. A.T. Ravichandran, Dean(Academics) presented the details of e-content material and the faculty members, who are going to develop e-content videos on the corresponding e-content materials for different courses .
A chart showing the details is placed at Appendix-E.

E. e-content courses

Prof. B. Ramamoorthy states that the aim of the digital university establishment is to increase the access of higher educational services for the youth and students of India. He pointed out that the Govt. of India in its budget 2022-23 has announced establishment Digital University.The UGC has also notified that 40% of the academic work to be carried out through online. He emphasizes the video lectures to be of good quality in all aspects.

The Video and sound quality should be good enough for which a considerable amount has to be spent from the budget and he hopes that all these initiative will make the attempt reasonably successful. Prof. S.Shanmugavel endorsed the view of Prof. B. Ramamoorthy saying that it is a big task to be undertaken upholding the name and fame of this reputed Institution.

RESOLVED to approve the proposal for developing the e-content in the form of Videos for minimum of 2 courses in each department in every semester.

C. Items for Discussion and Decision.

- 16.10 To discuss the plan of action and assignment of tasks to various Deans/HoDs in the process of attainment of goals as per the Strategic Plan.

Dr. M. Rajeev Kumar, Dean(Quality Assurance) presented the assignment tasks entrusted to the Deans and HoDs of the Institution for the accomplishment of goals as per strategic plan and the chart is put up at Appendix-F.

F. Plan of Action

After elaborate discussions on various aspects specified in the Assignment task, the external members have suggested that the FSR for Arts and Science which was shown as 1:25 would be made 1:20 on the basis of NIRF requirement. Secondly, the members have agreed upon the initiative stipulated to increase 20% qualified faculty members until the target is completed and they advised to fix the target.

The Dean (Quality Assurance) ensured that action would be taken suitably in consultation with the authorities. The third suggestion of the external members was to include a target stipulation for citation index in the assignment task.

RESOLVED to approve and record the plan of action and assignment of tasks to various Deans/HoDs in the process of attainment of goals as per the Strategic Plan.

D. Items for Reporting

- 16.11 To report the NAAC assessment of accreditation to the Institution in the second cycle.

Dr. M. Rajeev Kumar, Dean (Quality Assurance) presented the Categories and the CGPA obtained category wise at the NAAC Accreditation in detail.

G. NAAC assessment

Appendix-G Click here

Dr. Prof. Shanmugavel suggested competency evaluation to the teachers once in a year or once in two years will definitely enhance the quality of teaching by inviting outside experts so that the teachers would be aware of improving their teaching skill. Prof. Ramamoorthy has endorsed the view of Prof. Sakthivel suggested that expert teachers should be invited to deliver special lectures on some topics on hourly basis to inspire the teachers of this Institution to know how the experts are making use of their talents as to their way of teaching, way of interaction and with other techniques.

Prof. B. Ramamoorthy pointed out an example as how Prof. Pandurangan, Professor of Computer Science and Engineering, IIT Madras use to teach various concepts of computer science and engineering in classroom using only talk and chalk method without using Power Point or whatever be the modern tools so extensively in his classroom and Prof. B. Ramamoorthy has also pointed out that currently in the VIT Chennai campus B.Tech in CSE, EEE, ECE, and Mechanical Engineering are accredited by ABET while in Vellore Campus, B.Tech in Biomedical, Civil, CSE, ECE, EEE, E&I, Information Technology, Mechanical Engineering and Mechanical with specialization in Automotive Engineering are accredited by ABET. In the US, an engineering program should be accredited by ABET, and the college/University as a whole should be accredited by the regional accreditor. He suggested that Vel Tech might also go for ABET ranking as the Institution is deserved.

Dr. M. Rajeev Kumar, Dean (Quality Assurance) informed that the suggestions of the members would be taken note of for exploring the feasibility for implementation.

RESOLVED to record the report of the NAAC Accreditation in respect of Vel Tech in the Second Cycle. .

E. Conclusion

16.12 Any other items with the permission of Chairperson.

No item other than the agenda items included in the Agenda was taken up for discussion.

16.13 To fix the date for holding the next meeting of the Planning and Monitoring Board.

It has been decided to hold the next meeting of the Planning and Monitoring in March 2024.

VOTE OF THANKS.

Prof. E. Kannan has thanked all the members particularly the external members for attending the meeting, actively participating in the discussions and offering valuable suggestions. He informed that the suggestions of the members would be included in the minutes which would be sent to all the members shortly for approval.

Quorum was present.

The meeting was called to order.

The Vice Chancellor welcomed the members who were present.

The Agenda was taken up for discussion.

The Vice Chancellor presided over the meeting.

30.1 To record the notice of convening 30th Meeting of the Finance Committee scheduled on March 27, 2023.

A copy of the 30th Finance Committee meeting notice is placed at [Appendix-A](#).

A. 30th FCM Notice

RESOLVED to record the notice of convening 30th Meeting of the Finance Committee scheduled on March 27, 2023.

30.2 To approve and record the Agenda of the 30th Meeting of the Finance Committee scheduled on March 27, 2023.

The Agenda of the 30th Finance Committee meeting is given in the page number 1.

RESOLVED to record Agenda of the 30th Finance Committee meeting of the Finance Committee scheduled on March 27, 2023.

30.3 To review the action taken on the decisions of the previous meeting held on November 28, 2022.

The Action Taken Report on the items of the previous Finance Committee meeting held on November 28, 2022 is given below:

Table1: Action Taken Report

Item.No	Item	Decision Taken	Action Taken
29.4	To approve and record the actual expenditure against the budget and committed expenditure for the period from April 01, 2022 to October 31, 2022.	The FC approved the actual expenditure against the budget and committed expenditure for the period from April 01, 2022 to October 31, 2022 and the committee authorized the Finance Officer for re-appropriation of budget allocations according to merit subject to ratification by the Finance Committee.	The Finance Officer has presented the Re-appropriation of budget allocations made in the Budget of 2022-23 as in the <u>Appendix-B</u> given below.
29.5	To record and approve the half-yearly Balance Sheet for the financial year 2022-23.	The Finance Committee approved the half-yearly Balance Sheet for the financial year 2022-23.	RECORDED

B. (29.4) Re-appropriation

RESOLVED to record Action Taken Report on the items of the previous Finance Committee meeting held on November 28, 2022.

30.4 To inform the Committee about the leave of absence of the members.

All the members of the Finance Committee were present for the Meeting..

30.5 To approve and record the minutes of the 29th meeting of the Finance Committee held on November 28, 2022.

A copy of the minutes of the 29th FC meeting is placed below at Appendix-C.

C. 29th FCM Minutes

RESOLVED to approve and record the minutes of the 29th meeting of the Finance Committee held on November 28, 2022.

30.6 To discuss and approve the Proposed Budget for the Financial year 2023-24.

The Finance Officer has presented the salient features of the Budget 2023-24 at the time of the meeting. After elaborate discussion on the budget allocations provided under different Account heads, the Finance Committee accepted the Budger of 2023-24.

RESOLVED to approve and record the Proposed Budget for the Financial year 2023-24.

30.7 To approve and record the Audited Balance Sheet for the Financial Year 2021-22.

The Finance Officer has presented the Audited Balance Sheet for the Financial Year 2021-22 as in the Appendix-D.

D. Audited Balance Sheet

RESOLVED approve and record the Audited Balance Sheet for the Financial Year 2021-22.

30.8 To approve and record the Internal Audit report of the Accounts pertaining to the Financial Year 2022-23.

The Finance Officer has presented the Internal Audit report of the Accounts pertaining to the Financial Year 2022-23.

RESOLVED *approve and record the Internal Audit report of the Accounts pertaining to the Financial Year 2022-23.*

30.9 Any other items with the permission of the Chairperson.

No Item other than those included in the Agenda was taken up for discussion.

30.10 To fix the date for holding the next Finance Committee Meeting.

It has been decided to hold the next meeting of the Finance Committee in November 2023.

VOTE OF THANKS

The Finance Officer thanked all the members for actively taking active part in the discussions.

With theVote of thanks, the meering has come to a close.

Over View of R & D Activities (2022 - 2023)

Funded Research Projects - Sanctioned

S.No	Title of the Project	Funding Agency	Associated Departments	Collaborative Institute	Amount
1	Optimizing Supersonic Co-Axial Nozzle design for Mixing Enhancement	SERB	Mechanical	IIT Madras	₹ 18,30,000
2	Additive manufacturing of Osteogenic and infection resistant bone tissue engineering scaffolds	SERB	Mechanical	IIT Madras	₹ 18,30,000
3	Fabrication of Graphene coated Cu heat sink for electric vehicle battery thermal management	SERB	Mechanical	IIT Mandi	₹ 18,30,000
4	High strain rate characterization of additive manufactured materials for ballistic loading applications	SERB	Mechanical	Central Manufacturing Technology Institute	₹ 18,30,000
5	Optimization of Solar photovoltaic based water pumping performance with DC Motor	SERB	Mechanical	National Institute of Solar Energy	₹18,30,000

Funded Research Projects - Sanctioned

S.No	Title of the Project	Funding Agency	Associated Departments	Collaborative Institute	Amount
6	UAV Based In-situ Measurements and Hyper spectral Analysis for Water Quality Mapping and Developing Remediation Strategies	SERB	Mechanical	---	₹ 42,54,035
7	Microbial Recovery of Biogenic Methane from Coal Rejects with CO2 Sequestration using Noval Hybrid Geo-photo Bio Reactor and Reclamation of the Site	DST	Biotechnology	NIT-Calicut Industrial Partner: SCCL Mines (Telugana)	₹ 3,72,567
8	Development of sensing systems for rapid and in situ quality assessment of black rice, ginger(Zingiber Officinale), Elsholtzia griffithii and Cinnamomum zelanicum of north East India using Spectroscopic (NIR and Raman) technologies	DBT	ECE	Jadavpur University-Kolkata & DBT-Institute of Bioresources and Sustainable Development-Imphal	₹ 29,98,560

Funded Research Projects - Sanctioned

S.No	Title of the Project	Funding Agency	Associated Departments	Collaborative Institute	Amount
9	Design of Cascaded Adaptive Control with O ₂ and Temperature data of Combustion Images for Optimization of Boiler Combustion Processes in a Thermal Power Plant.	CPRI	Mechanical & ECE	---	₹ 29,88,000
10	Biogenic Methane production from lignite coal for domestic usage	Anna University	Biotechnology	NLCIL, Neyvile	₹ 12,00,000
11	Target Recognition using UWA in Under water environment	---	Biomedical & Mechanical	---	₹ 4,00,000
12	Development of Efficient Swarm Intelligence Based Optimization algorithm using Fractional Calculus for Diagnosis of Muscle Disorders.	SERB	ECE	IIT-Madras	₹ 18,30,000

Funded Research Projects - Sanctioned

S.No	Title of the Project	Funding Agency	Associated Departments	Collaborative Institute	Amount
13	Performance of phase change material based heat sink embedded with open cell metal foam through powder metallurgy route for thermal energy storage	SERB	Mechanical	ARCI	₹ 18,30,000
14	DEVELOPMENT OF VERY HIGH VOLUME ULTRA FINE FLYASH CONCRETE CAST USING CONTROLLED PERMEABLE FORMWORK LINER	SERB	Civil	NIT-Trichy	₹ 18,30,000
15	PERFORMANCE ANALYSIS OF ORGANIC AND BIO-BASED PHASE CHANGE MATERIALS ON BUILDING COOLING APPLICATIONS	SERB	Mechanical	IIITDM-Kanchipuram	₹18,30,000
16	IMPACT ASSESSMENT OF SHYAMA PRASAD MUKHERJI RURBAN MISSION (SPMRM) IN TAMIL NADU – AN EMPIRICAL STUDY	Indian Council of Social Science Research(ICSSR)	SoL	---	₹4,55,000

Funded Research Projects - Sanctioned

S.No	Title of the Project	Funding Agency	Associated Departments	Collaborative Institute	Amount
17	"RES-IIRS-2022-001: AI (Artificial Intelligence and Remote Sensing Applications in Soil & Crop Management"	ISRO	ECE	---	₹21,30,824
18	Development of Stable Natural Foaming Agents from Plant Sources of NE Region	DBT	Biotechnology	DBT-APSC S&T Centre of Excellence for Bioresource and Sustainable Development, Andhra Pradesh	₹39,58,840
Rs. 3,52,27,286

(Rs.14,00,000/- cost of Smart factory working models)
Space Allocated – 3500 Sq.ft

Centre of Excellence for Smart Factory Initiatives

Scheduled to be inaugurated
On 23th March 2023
at 10.30 AM

INDUSTRIAL CYBERSECURITY

With the developments in the Internet of Things (IoT) and robotics, new authentication and authorization mechanisms are used to ensure such communications are secure and reliable with end-to-end protection of industrial assets. Automation Partners, System Integrators, Application and Technology Providers are providing special degree of control mechanisms such as encryption, edge device hardening, authentication, interface security, secured communication, data protection, and data privacy for securing the Industrial IoT ecosystem.

Value drivers

- Protection of sensitive data generated from industrial assets
- Monitor and protect against malicious activity

INDUSTRIAL INTERNET OF THINGS (IIoT)

A network of interconnected devices embedded in physical objects in the shop floor. Sensing, measuring and monitoring capabilities from various things can translate physical processes into digital information, thereby creating real-time insights by connecting devices, people and processes together. The ecosystem includes sensors, edge devices, communication protocols, connectivity and application platform.

Value drivers

- Operational visibility
- Improves efficiency
- Enables better decision making

Applications

- Machine condition monitoring
- Remote diagnostics
- Track and trace asset location

Focus Area

AUGMENTED REALITY (AR)

Virtual objects are digitally overlaid on physical objects with contextual information via smart phones, tablets, heads-up displays or AR glasses which can significantly improve workforce productivity. Augmented Reality subtly blends reality and virtual information, which makes it possible to explain complex phenomena while relating them to the scale of the real environment. What makes it particularly interesting is its interactive nature, which opens the door to a unique and unprecedented productive creativity.

Value drivers

- Improve workforce productivity and effectiveness
- Reduction in spoilage, rework, and waste
- Improved field service productivity

Applications

- Guided repair & maintenance
- Remote assistance
- Employee training

CLOUD COMPUTING

With the developments in the Internet of Things (IoT) and robotics, cloud computing provides virtualized resources and services with high reliability and scalability. It helps to store, process and analyze data from industrial devices with computing, storage and networking capabilities over the Internet.

Placing computing and analytics capabilities close to the machines and production processes makes the case for edge computing, which significantly reduces latency times and enables distributed intelligence across production processes.

Value drivers

- Optimize business processes
- Maximize operational efficiency
- Improves reliability and security

Applications

- Predictive maintenance
- Remote monitoring and controlling
- Cloud-based manufacturing systems

SIMULATION

Simulation application includes hybrid modeling (digital twins), simulation based training, and designing connectivity (network simulation). A digital twin is a full lifecycle dynamic digital replica of a physical or a logical object like motors, tools, production lines, factories, logistic processes, etc., in the real world. With a digital twin, one can describe, simulate and predict the state of its real-world counterpart based on the analytical models derived from historical and real-time data.

Value drivers

- Real-time optimization & decisions
- Continuous data drive optimization
- Quick changeovers
- Enable flexibility and agility

Applications

- Material flow simulation
- Product re-design
- Logistics and capacity planning

Focus Area

HORIZONTAL / VERTICAL INTEGRATION

Vertical Integration in Industry 4.0 aims to tie together all logical layers within the organization from the production floor up through R&D, quality assurance, product management, IT, sales & marketing. With horizontal integration, Industry 4.0 envisions connected networks of cyber-physical & enterprise systems that introduce unprecedented levels of automation, flexibility & operational efficiency into production processes. It takes place at several levels such as production floor using machine-to-machine communication, across multiple production facilities and across the entire supply chain.

Value drivers

- Seamless information flow
- Enables data-driven decision
- Improves flexibility and agility to the changing market signals

ADDITIVE MANUFACTURING

Additive Manufacturing (AM), broadly known as 3D printing, is transforming how products are designed, produced, and serviced. It has the potential to facilitate stand-alone production of smaller components and to reduce the length of the manufacturing process of the product. The trend towards customized products is driving the need to manufacture just as many items, but in smaller and smaller quantities, even down to an individualized product.

Value drivers

- Offer just-in-time and in-sequence
- High degree of flexibility
- Improved field service productivity

Applications

- Spare parts management
- Warehouses & logistics

Focus Area

AUTONOMOUS ROBOTS

Autonomous Mobile Robots (AMRs) and various applications of robotics (collaborative robots, robotic arms, etc.) can intelligently automate low value, repetitive processes. Autonomous robots can recognize and learn from their surroundings and make decisions independently using AI and sensor technology. Advanced collision avoidance capabilities can enable robots to seamlessly move around humans and moving objects without causing any casualties.

Value drivers

- Increase productivity and efficiency
- Reduce error and re-work
- Highly flexible and transparent material flow

Applications

- Intralogistics
- Warehouses
- Assembly

BIG DATA ANALYTICS

Business processes, production shop floor and supply chain generates huge volume of structured & unstructured data every day. Machine learning, Artificial Intelligence, Deep Learning, Analytical Models and techniques can derive interesting insights to optimize business processes, improve production performance, quality and delivery metrics. Big data analytics environment includes data processing and management tools, data storage and analytics engine can transform the journey from descriptive analytics towards cognitive analytics (autonomous) to realize data-driven business decisions.

Value drivers

- Identify hidden inefficiencies
- Enables data-driven decision making
- Improve business performance

Applications

- Predictive maintenance
- Predictive quality
- Logistics route optimization
- Anomaly detection

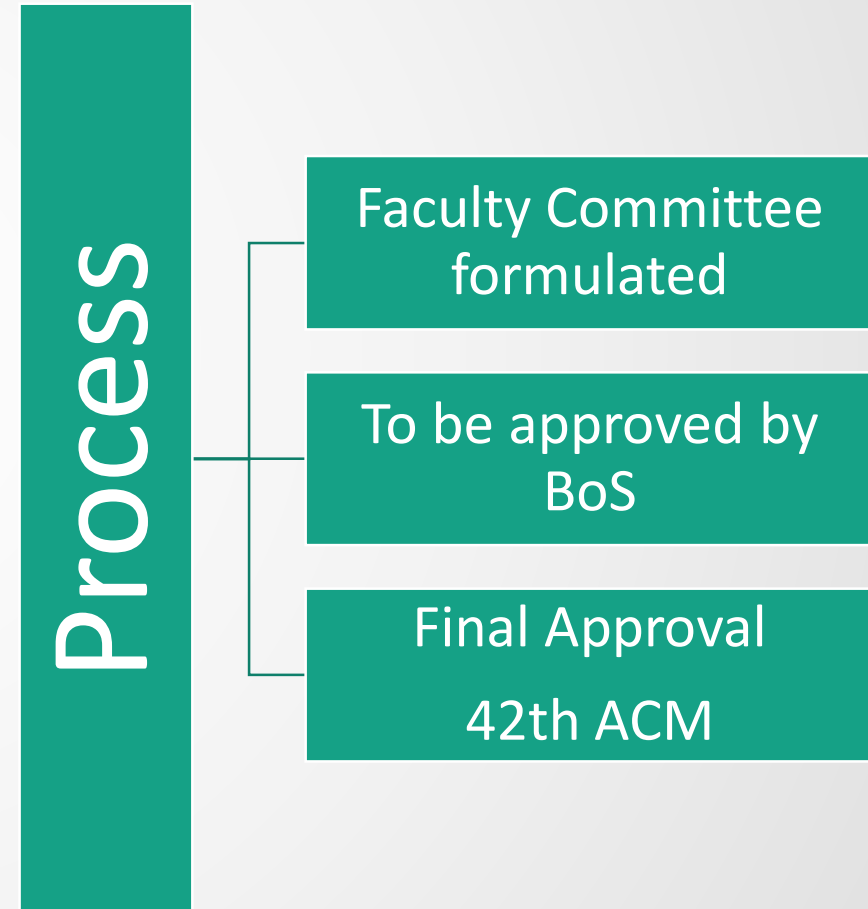

- As per the regulation R21, the office of industry relations and department of ECE constituted a faculty committee to come with the courses of total 18 Credits under programme elective and Independent learning 13 Credits (2 Minor projects (4 Credits) and Major project 9 credits) focusing on IoT.
- The ZF agreed to support course delivery and offer both minor and major projects at their industry.

Minimum Credits required in Course Categories (R21):

Course Category	Minimum Credits Required
Foundation Courses	56
Programme Core	58
Special Elective	18
Open Elective	12
Independent Learning	14 (13)
Industry / Higher Institute Learning Interaction	2
Professional Proficiency Courses	4
Total	164

List of Credit Courses Offered:

Levels	Topic to be Discussed	Week	Credit Offered
Level 1:	Introduction to IoT, Basic Concepts and Applications	Week-1	Credit-1
Level 2:	Introduction to Sensors and Actuators	Week-2	
Level 3:	Introduction to Wireless Networks	Week-3 & 4	
Level 4:	Introduction to Cloud	Week-5 & 6	Credit-2
Level 5:	Real time IoT Project	Week-7 & 8	

List of Credit Courses Offered:

LEVEL	Week	Lecture Topics	Lab Exercises	Hardware Used
LEVEL 1	0	Introduction to IOT, Basic Concepts and Applications	Introduction	IoT Hardware - Sensors, Actuators and Development Boards
	1	Introduction to Hardware Software used in IOT	Write a program that controls an LED and makes it blink.	
			Write a program to read the switch status and turn on or off the LED.	
			Write a program that controls an Seven Segment LED and makes it display "HELLO".	
			Write a program that controls an 16*2 LCD and display "VELTECH UNIVERSITY".	
LEVEL 2	2	Introduction to Sensors and Actuators	Introduction to different Sensors and Actuators	IoT Hardware - Sensors, Actuators and Development Boards
		Interfacing Different Sensors, Actuators with Arduino / Raspberry Pi	Write a program to interface a sensor to the GPIO pins of the Arduino / Raspberry Pi.	
			Write a program to control the output device by accessing the sensor using Arduino / Raspberry Pi.	

List of Credit Courses Offered:

LEVEL 3	3	Introduction to wireless Networks	Introduction to diferent Wireless Communicating Hardwares	IoT Hardware - Sensors, Actuators, Development Boards and Wireless Modules
		Interfacing Bluetooth, Zigbee with Arduino / Raspberry Pi	Write a program to transmit the data from one device to another device by using Bluetooth or Zigbee.	
		Interfacing GSM, GPS with Arduino / Raspberry Pi	Write a program to transmit the data from one device to another device by using GSM and GPS.	
	4	Interfacing RF transmitter and receiver 433 MHZ with Arduino / Raspberry Pi	Write a program to transmit the data from one device to another device by using RF Modules.	
Interfacing Z Wave RF Modules with Arduino / Raspberry Pi		Write a program to transmit the data from one device to another device by using Z Wave.		
LEVEL 4	5	Introduction to Cloud	Introduction to IFTTT, MQTT and BLYNK	IoT Hardware - Sensors, Actuators, Development Boards and Wireless Modules
		Introduction to IOT cloud Integration	Write a program to measure the data from remote location by using Cloud Integration.	
	6	Interfacing Different Sensors, Actuators with Cloud	Write a program to measure the data from remote location and control the device by using mobile phone.	

List of Credit Courses Offered:

LEVEL 5	7 & 8	Real time IOT Project	IOT based Asset Tracking (Indoor Position)	IoT Hardware - Sensors, Actuators, Development Boards, Wireless Modules and Industrial Standard Devices
			IOT based Logistics (Location Technologies)	
			IOT based Supply Chain Management (Cellular Based LPWAN Technologies)	
			IOT based Raw Material Environment Monitoring (Non- Cellular Based LPWAN Technologies)	
			IOT based Voice Controlled Devices	
			IOT based Text Controlled Home Appliances	
			Smart Agriculture System	
			Health monitoring by Wearable Devices	
			Smart Car Parking System	
			Smart Environmental Monitoring System	

Materials Purchased details(IoT- Components)

S. No	Name of the Supplier	Amount (Rs.)
1	ROBU.IN	3,67,608.20
2	AMAZON	1,68,103.00
3	ROBU.IN	36,130.00
4	DELIGHT	1,44,562.00
TOTAL		7,16,403.20

Some of the working models were made by Students

- Home Automation System Using Google Assistant / Alexa
- Temperature and Humidity Monitoring in Food Quality Service Control
- Smart Energy Monitor using IoT
- Home Automation Using Local Web Server
- Monitor and Diagnose the performance of a Three-Phase Induction Motor
- Security System Using IoT

Proposed Skill Development Initiatives

- One week Workshop to our affiliated Engineering college students .
- Polytechnic students - to conduct one week Workshop.
- School students - two days Workshop.

Other Industry Partner

WEBYFY IOT

Webyfy IoT Has carried out extensive work in automatic generation of IoT solutions. The intelligent framework REACH consists of scores of hardware and hundreds of software modules. It has the capability to create multitudes of applications in multiple domains using its configuration engine.

WEBYFY AUTOMATION

Webyfy Automation is engaged in development of systems for controlled micro movement through R&D effort. This facilitates development of engravers for multiple mediums, 3D printers, stacking robots, dispensing machines etc. Webyfy Automation has excellent mechanical design skills used by the sister concern.
