MINUTES OF THE MEETING

A. Opening

The Chairperson extended a warm welcome to all the members of the BoM especially the External members Prof. S.P Thyagarajan, Prof. H.S. Shan, Prof. Jagadeesh Kumar, Dr.B.Venkatraman and Dr. B.S. Murty for attending the BoM meeting. The Chairperson has highlighted some of the academic activities and the events which took place since the last meeting of the BoM such as Grant of Graded Autonomy by the UGC i.e. up-gradation of Vel Tech Rangarajan Dr. Sagunthala R&D Institute of Science and Technology as Category-I Deemed to be University as per the provisions of the UGC Regulations, inclusion of this University under section 12B of the UGC Act 1956 to be eligible for central assistance, conferral of Honoris Causa to Prof. T.G. Sitharam, Chairman, AICTE, New Delhi and Dr. K.N. Satyanarayana, Director, IIT, Tirupathi at the 13th convocation held on 3rd and 4th November 2023, commencement of classes for Winter Semester, admissions to Ph.D. Programmes, Placements, present status relating to Publications, Citations, Patents, Projects, number of full time and part time scholars doing Ph.D. at present etc. in his welcome address. The proceedings started after the welcome address.

Item No.	Subject	Decision	Action Taken
56.12	To consider the proposal for the conduct of 13 th convocation to be held on 3 rd and 4 th November 2023 and conferral of the Degree of Doctor of Science (Honoris Causa) upon Prof. T.G. Sitharam at the Convocation ceremony on 4 th & 5 th November 2023.	It has been decided at the BoM that the following renowned academicians may be considered for conferral of Honoris Causa. 1. Prof. T.G. Sitharam, Chairman, AICTE, New Delhi. 2. Dr. K.N. Satyanarayana, Director, IIT, Tirupathi.	As recommended by the BoM, the honorary degrees were awarded to Prof. T.G. Sitharam and Dr. K.N. Satyanarayana at the 13 th convocation be on 3 rd and 4 th November 2023.
56.13	To consider and approve the award of degree to the Graduands of UG, PG and Ph.D. programmes in the 13 th Convocation to be held on 3 rd and 4 th November 2023.	Discussions were held on the guidance of those Ph.D. scholars who are taking long time for the submission of synopsis and thesis by asking the defaulters to appear before the Advisory Committee for necessary assistance, motivation and guidance.	The suggestions of the External Members have been taken into consideration to explore the ways and means to motivate the Ph.D. scholars concerned.
56.19	Any other suggestions with the permission of the Chairperson.	The External Members pointed out the need for the increase in the number of research publications and to have diverse range of journals including Q1, Q2, Q3 which offer several advantages enabling the researchers at different stages of their career.	The suggestions of the External members have been taken into consideration to explore the possible ways and means to increase in the Research publications and to have diverse range of Q1,Q2 and Q3 journals.

Prof. S. P. Thyagarajan has brought to the notice that the decision taken by the Executive Committee of the National Assessment and Accreditation Council (NAAC) on 27.01.2024 citing major reforms in its accreditation process. In the first stage, a “binary accreditation system” will be implemented in the next four months, which will replace the present system of ranking (C to A++) of higher education institution (HEIs).

According to the NAAC, the new binary accreditation system is in line with the best practices followed globally. The NAAC said the new system will encourage all the institutions to get “on-boarded” in the accreditation process, thereby creating a quality culture in the higher education system. The new changes are proposed with the strategic intent to be consistent with the National Education Policy (NEP) 2020 and one nation and one data concept and lead a new wave of transformative reforms.

Act. 1956

While the binary accreditation is aimed to encourage all institutions to get on board the NAAC accreditation process and improve the overall quality of higher education in India, the Maturity-Based Graded Accreditation (MBGA) is aimed to encourage institutions to raise their bar by improving the standard of imparting education. Institutions from Level 1 to Level 4 will be classified as 'Institutions of National Excellence' and institutions of Level 5 will be classified as 'Institutions of Global Excellence for Multi-Disciplinary Research and Education'.

These changes are proposed in line with the global best practices set by leading countries in the field of education. The implementation of these recommendations will be done in 2 stages. In stage one, the binary accreditation will be implemented in the next four months. The MBGA will be implemented by December 2024.

Prof. S. P.Thyagarajan pointed out that the importance of having a robust data at this context which is very much essential to meet out the requirement of parameters of MBGA and IQAC should take a note of it and take all initiatives in this regard.

RESOLVED to approve and record the the actions taken based on the minutes of the 56th BoM meeting held on October 28, 2023.

FURTHER RESOLVED to take a note of the new Binary Accreditation System of MBGA and to prepare the database according to the revised norms of the NAAC.

- 57.5 To approve and record the agenda for the 57th BoM meeting scheduled on January 28, 2024.

The Agenda of the 57th BoM meeting scheduled on January 28, 2024 is given in the page no.1.

RESOLVED to approve and record the agenda for the 57th BoM meeting scheduled on January 28, 2024.

RESOLVED to approve and record the results of the Ph.D. viva-voce conducted since the last BoM meeting held on October 28, 2023.

57.7 To consider and approve the 31st meeting of the Finance Committee held on November 25, 2023.

The minutes of the 31st Finance Committee meeting is placed at the Appendix-D.

D. 31st FCM Minutes

Appendix-D Click here

The Finance officer, while presenting the minutes of the Finance Committee detailed the funds allocated under different heads, status of the Funds allocated and the details of the reallocated funds based on the merit and necessity. The Finance Officer has also presented the Audit Statements etc. for consideration and approval by the Board of Management.

Prof. H.S. Shan sought clarifications with regard to the funds allocated for sponsored research and sports which he opined that they were not sufficient. Secondly Prof. H.S. Shan suggested that whenever the budget allocations are made by transferring funds from one account head to the other owing to less amount spent under one particular head and more amount needed for another account head, the reasons for transference of funds should be given. Prof. B.S. Murty has suggested for allocation of matching grant and sufficient funds for technological development.

In reply to the clarifications sought by the external members, Mrs. Rangarajan Mahalakshmi Kishore representing Sponsoring Trust Nominee enlightened the process of budget preparation starting from receiving proposal from the Deans, Head of the Departments and Heads of the Sections till the finalisation of the Budget. She pointed out that the funds for the Departmental activities were based on the requirement submitted by the respective Deans and Heads of Departments and Sections. The Budget Committee under the Chairmanship of the Vice Chancellor conducted meetings frequently

to check as how efficiently the funds allocated under different account heads are utilised every on and off. She also ensured that the suggestions and inputs of the external members would be taken into consideration and the Chairman of the Finance Committee would follow them accordingly.

RESOLVED to approve and record the 31st meeting of the Finance Committee held on November 25, 2023.

57.8 To consider and approve the proposal of addition / reduction of Intake in UG & PG Programmes for the Academic Year 2024-25.

It is submitted that due to the increased demand for B.Tech. Computer Science and Engineering programme, the intake of students for this particular programme is increased from 1104 to 1320. The intake of students for B.Tech. Civil Engineering programme is reduced from 60 to 30 for the academic year 2024-25.

In the case of Post Graduate programmes, there is reduction from 18 to 12 for certain programmes viz (Aeronautical Engineering (Unmanned Aerial Vehicle), Big Data Analytics, Biotechnology, Computer Science & Engineering, Embedded Systems & Technologies, Information & Cyber Security and Power Electronics). Secondly due to the increased demand for the M.Tech. Industrial Safety & Engineering programme, the intake is increased from 18 to 36.

Lastly as the admission for M.Tech. Network Engineering programme is continuously less than the threshold number for the last few years, approval is sought for closure of the programme from 2024-25 onwards.

The proposal for the changes in the increase / reduction of the above UG / PG programmes was submitted for consideration and approval.

Prof. B.S. Murthy pointed out that the education system has undergone significant transformation, focusing on making education accessible, high-quality, and future-ready. The COVID-19 pandemic has further accelerated this transformation. Hybrid learning is one such model that combines the benefits of online and offline learning. Hybrid learning offers flexibility, personalization, and a more student-centric learning experience.

S. Salivan

Prof. S. Salivahanan
Vice Chancellor

Vel Tech
Rangarajan Dr. Sagunthala
R&D Institute of Science and Technology
Approved by the Board of Management on 28.01.2024

He suggested that Vel Tech could offer online hybrid courses to be made open to all as they would attract a large number of people from anywhere in the world. The Grades, Credits or certificates might be given to those who complete the courses. And Evaluation might be done on online itself with the external experts. He emphasized that this Institution might consider teaching courses through online as in IITs considering the facility available.

The Evaluator should be from reputed Institutions, IITs and MITs. The faculty members might be engaged for handling classes could be paid substantial honorarium and he suggested that there would be no practical of lab oriented classes. The fee might be collected from the students for registration of the courses.

Dr. B. Venkataraman, while endorsing the view of Prof. B.S. Murthy that some of the trend set areas like Artificial Intelligence, Internet of Things (IoT), Solar innovations, Wind power enhancement, Machine Learning, Big data, Innovative Design and Simulation etc. might be taken up for this purpose.

He is of the opinion that both traditional and online education methods would foster a dynamic and interactive learning environment.

RESOLVED to approve and record the proposal of addition / reduction of Intake in UG & PG Programmes for the Academic Year 2024-25.

FURTHER RESOLVED to place the suggestions of the External member regarding conduct of open learning online Hybrid classes to the Academic Council for discussion and recommendations thereupon.

C. Items for Discussions and Decisions

- 57.9 To discuss the significant activities of office of the Industry Relations during the Academic year 2023-24 and proposed futuristic activities.

The significant activities of office of the Industry Relations during the Academic year 2023-24 and proposed futuristic activities submitted by Dr. P. Chandrakumar, Dean (Industry Relations) are placed below at Appendix-E.

Dr. P. Chandrakumar, Dean (Industry Relations) has presented a descriptive note on various activities of the office of the Industry Relations located at the Research park of the Institutions such as Corporate Talk & Tour, Internship / Major Projects, In Plant Training, Credit Courses offered, MoUs signed, Value Added Courses, Faculty Training Programme and other events with the support of Statistical Data and Photographs.

Prof. S.P. Thyagarajan suggested that the international collaborative activities need to be under taken at large. Prof. S.P. Thyagarajan has also pointed out that there should be an increase in the number of Functional MoUs from 40%. He said that more activities on the Industrial interactions, Patents and International collaboration would help to fulfil the requirements of the parameters of the Ranking Agencies.

RESOLVED to approve and record the significant activities of office of the Industry Relations during the Academic year 2023-24 and proposed futuristic activities.

57.10 To discuss the significant activities of office of the International Relations during the Academic year 2023-24 and proposed futuristic activities.

The significant activities of office of the International Relations during the Academic year 2023-24 and proposed futuristic activities submitted by Dr. P. Suresh, Dean (International Relations) are placed below at Appendix-F.

F. Office of the International Relations

Appendix-F Click here

Dr. P. Suresh, Dean (International Relations) presented the descriptive note on the activities of the office of the International Relations such as Faculty Mobility, Student Mobility, Higher Studies, Scholarships and Fellowships etc. with statistical data and photographs. Prof. B.S. Murty spoke on the Semester-long Internship and the projects at the context of IIT as they used to be beneficial to the students. He explained as now students get benefits from these projects / Internship.

1. Students who aspire for their dream jobs sign-up with companies for a Semester-long projects Internship program with an opportunity to convert into a full time position.

2. Often the companies visiting the campus for recruitment also offer students an opportunity to join as interns before the students join in the full time positions in the same company or so, the students might have a gradual transition from student to their full time roles.

He suggested that the curriculum be designed in such a way to cover the Core Courses within the sixth semester for which the students might get appropriate credits (i.e. for the students who opted for a Semester-long project only), would be evaluated twice by the industry mentor and twice by the institute faculty mentor. A team of two faculty members might carry out the final evaluation.

He pointed out that the IIT Hyderabad (IIT H) has brought a wonderful opportunity for final-year non-IIT engineering students to do an internship at their college. The institute has provided 150 internships across its 18 departments under the Summer Undergraduate Research Exposure (SURE) scheme. The internship is not open to IIT Hyderabad students but applicable only for the benefit of several students who may have failed to have their IIT dream due to low JEE scores or other unforeseen circumstances.

This is a golden opportunity for such aspiring students to get exposure and guidance from the IIT Hyderabad faculty.

Dr. V. Jagadeesh Kumar informed that the B.Tech. students of all three schools (Computer science and engineering, Electrical engineering and Mechanical engineering) of IIT used to avail a 6-months internship during their 7th semester (tentatively Mid-May—Mid-November).

RESOLVED to approve and record the significant activities of office of the International Relations during the Academic year 2023-24 and proposed futuristic activities.

FURTHER RESOLVED to place it before the BoS / Academic Council with regard to re-designing of core courses for the students, who may opt for semester long Internship programme for its recommendations.

57.11 To discuss the proposed intake of students to different UG and PG programmes of this Institution for the Academic year 2024-25.

The proposed intake of students to different UG and PG programmes of this Institution for the Academic year 2024-25 is placed below:

RESOLVED to approve and record the proposed intake of students to different UG and PG programmes of this Institution for the Academic year 2024-25.

D. Items for Ratification

57.12 To ratify the recommendations of the Faculty Selection Committee since last meeting of the BoM held on October 28, 2023.

The details of the new faculty members appointed in the places of those who left due to various reasons. The new faculty members were selected based on the recommendations of the Faculty Selection Committee for the consequential vacancies are given in Appendix-G.

G. Faculty Selection Committee

Appendix-G Click here

While presenting the recommendations of the Faculty Selection Committee, Prof. E. Kannan pointed out that the faculty appointments were made in accordance with the FSR Ratio of 1:15 for Engineering programmes, 1:20 for Law Programmes and 1:25 Arts and science degree programmes as per the UGC / AICTE / BCI norms.

Prof. E. Kannan categorically explained the mode of filling up of vacancies in the consequential vacancies arising out due to the exit of the faculty members and also the appointment of additional faculty members as and when the strength of the students increases. The institution is very keen in maintaining the FSR ratio constantly.

Dr. B.S. Murty has advised that the practice of selecting Non-Ph.D. Faculty members should gradually be stopped, stating that this would affect NIRF ranking. In reply, Professor E. Kannan explained the difficulties of getting competent Ph.D. candidates for the faculty positions especially in the Department of Computer Science and Engineering. Efforts are being taken to recruit the required number of faculty members with Ph.D. through Open Advertisement.

RESOLVED to approve and ratify the recommendations of the Faculty Selection Committee in appointing Faculty members since last meeting of the BoM held on October 28, 2023.

FURTHER RESOLVED to place it on record the existence of the FSR ratio for different programmes in this Institution i.e. 1:15/1:20/1:25 for the respective programmes.

57.13 To ratify the amendments made in Research Incentive Policy of the Institution.

The amendments made in Research Incentive Policy of the Institution furnished by Dr. P. Chandrakumar, Dean (Industry Relations) is placed below at Appendix-H.

H. Research Incentive Policy

Appendix-H Click here

Dr. P. Chandrakumar, Dean (Industry Relations) presented the amendments of the Research Incentive Policy under Incentives and Publications, Scopus Journal / Book Chapter / Conference papers and WoS Indexed Journals – Article / Book Chapter / Conference papers in detail.

Prof. S.P. Thyagarajan pointed out that there should be a considerable increase in the number of research publications, scopus journals and patents and while reporting the data, the achievement target should be given. He has also suggested for constitution of Research Monitoring Committee with the aim to ensure quality research work in the institute through regular monitoring of research project implementation.

Prof. B.S. Murty suggested that out of two publications to be submitted by the faculty members at least one should be Q1 Journal.

RESOLVED to ratify the amendments made in Research Incentive Policy of the Institution.

E. Items for Reporting

57.14 To report the status of Ph.D. Admissions during the Academic Year 2023-24.

The status of Ph.D. Admissions during the Academic Year 2023-24 furnished by Dr. K. Jagajjanani rao, Dean (Academic Research) is placed below at Appendix-I.

Prof. S.P. Thiyagarajan has suggested that number of full time Ph.D. research scholars should be increased keeping in mind the strategy or the expectations of the Ranking agencies and he also informed that the Ph.D. scholars should be asked to submit the thesis on time (i.e. within the fixed time limit).

Prof. B. S. Murty suggested that the Advisory committee should take care of the scholars, who could not submit thesis on time by rendering all possible support and guidance. The Registration might be cancelled if they would not be responsive.

RESOLVED to approve the Ph.D. Admissions during the Academic Year 2023-24.

57.15 To report the letters received from the UGC with regard to:

1. Categorization of this Deemed to be University under category I for grant of Graded autonomy as per UGC Regulations, 2018.

and the subsequent actions taken thereof by the Institution.

The UGC has notified UGC [Categorization of Universities (only) for Grant of Grade I [Autonomy]] Regulations, 2018 on 12th February, 2018 in the Gazette of India. The proposal submitted by the Vel Tech Rangarajhn Dr. Sagunthala R & D Institute of Science and Technology (Deemed to be University) has been examined, processed, and considered by the UGC for the up-gradation of Vel Tech Rangarajan Dr. Sagunthala R & D Institute of Science and Technology as Category-I Deemed to be University as per the provisions of the above UGC Regulations. Accordingly the Deemed to be University shall now be eligible for all the benefits as stipulated under Clause 4 (Dimensions of Autonomy for Category-I Universities) of the UGC Regulations. .

Similarly, the University Grants Commission in its 574th meeting held on 03.11.2023 considered the application submitted by our institution and decided to grant 12B status to Vel Tech Rangarajan Dr. Sagunthaia R& D Institute of Science and Technology, (Deemed to be University) subject to the condition that the financial assistance under all UGC schemes shall be limited to those relating to teachers and students only. Accordingly, the Vel Tech Rangarajan Dr. Sagunthala R& D Institute of Science and Technology, (Deemed to be University) is included under section 12B of the UGC Act 1956 to be eligible for central assistance.

The Acknowledgement has been submitted to the UGC as per this official communication no. VT/R/L/UGC-Grant of graded autonomy/23-24/051 dated 16.11.2011 along with the relevant documents in person for inclusion of the Institution

S. Selvaraj
Vice Chancellor

in the list of Institutions in the country coming under Category I deemed to be Universities and publication of the same in the UGC official Website.

Prof. E. Kannan profoundly thanked the external members for their valuable advisories and inputs, which helped to attain this feat.

The external members applauded the remarkable achievement of Vel Tech and suggested to place it on record.

RESOLVED to record the achievements of Vel Tech with regard to
 1. Categorization of this Deemed to be University under category I for grant of Graded autonomy as per UGC Regulations, 2018.
 2. Inclusion of the Deemed to be University under section 12B of the UGC Act, 1956.

FURTHER RESOLVED to place it on record the congratulatory message and appreciation note of the external members, for this great achievement.

F. Concluding

57.17 Any other item with the permission of the Chairperson.

Dr. H.S. Shan suggested for the constitution of Department Revival committee which would have to meet at least once in a year to submit the consolidated opinion report of the faculty members with regard to creative and constructive ideas for the sustainable growth and development and there must be an apex committee to go through the opinions once in three years for the purpose of vision appraisal with the help of external experts so that the growth, improvement and reforms would be taking place at both academic and administrative levels consistently.

It has been decided to have the next meeting of the BoM on 20th April 2024 which will be confirmed at the time of the meeting.

Vote of Thanks.

Prof.E.Kannan thanked all the members particularly the External members for attending the meeting of BoM amidst their busy schedules. Prof. E. Kannan specially thanked to Prof. H.S. Shan for making his presence for the BoM inspite of the fact that the city of Chandigarh from where, Prof. H.S. Shan was coming, continued to be engulfed in dense fog in the previous eight days or so resulting in cancellation of flights / delayed departure times etc. at Chandigarh International Airport. Prof.E.Kannan conveyed his profound thankfulness and gratefulness to him for attending the meeting against all odds. Prof. E. Kannan assured that the suggestions and inputs given by the members would be taken into account and included in the minutes, which would be sent to all the members for approval in due course. Prof. Kannan thanked all the staff of the Registrar office, photographer and other supporting staff involved in the successful conduct of the BoM meeting. With the vote of thanks of Prof. E. MINUTES OF THE MEETING

A. Opening

The Chairperson extended a warm welcome to all the members of the BoM especially the External members Prof. S.P Thyagarajan, Prof. H.S. Shan, Prof. Jagadeesh Kumar and Dr. B.S. Murty for attending the BoM meeting. The Chairperson has highlighted some of the academic activities and events which took place since the last meeting of the BoM such as commencement of classes for Summer Semester, conduct of Induction programmes, Admissions to Ph.D. Programmes, Placements, forth coming convocation, present status relating to publications, citations, Patents, Projects, number of full time and part time scholars doing Ph.D. at present etc. conduct of Night Marathon in association with Commissionurate of Police, Avadi etc. in his welcome address. The proceedings started after the welcome address.

- 56.1 To record the appreciation note on the performance and outstanding contributions of the external member, who is completing the tenure of membership.

The Chairperson in his appreciation note mentioned that Prof. R. Radhakrishnan, Formerly Director, PSG Institute of Advanced Studies was appointed as one of the members of the Board of Management in 22.09.2020. who contributed a lot as a member of the Board of Management by regularly attending all the meetings of the Board of Management during his tenure, offering valuable suggestions during the discussions held at the Board of Management Meetings. Apart from attending the meetings, he used to get in touch with the authorities regularly and his excellent guidance and advisories on various academic and administrative issues especially pertaining to NAAC Assessment were largely helpful. He has successfully completed his three year term i.e. from 22.09.2020 – 21.09.2023.

RESOLVED to place it on record the appreciation of the Chairperson and members of the Board of Management on the remarkable role and contributions of Prof. R. Radhakrishnan as a member of BoM during his tenure

56.2 To record welcoming of new member to the Board of Management.

The Chairperson informed the august body regarding the appointment of Prof. B.S. Murty, Director, Indian Institute of Technology, Hyderabad. He pointed out that Prof. B.S. Murthy won the Shanti Swarup Bhatnagar Prize for Science and Technology, the highest science award in India for the year 2007 in Engineering Science category. He has authored above 400 journal publications and 4 books. He has supervised 39 Ph.Ds and 20 Ph.Ds are ongoing. He has completed over 55 sponsored research projects and currently handling 13 projects and filed 20 patents. The Chairperson placed it before the Board of Management for the ratification of the action taken in appointing Prof. B.S. Murty as a member of BoM in the existing vacancy.

RESOLVED to place it on record the welcome note and wishes of the members of the Board of Management to Prof. B.S. Murty on his appointment as the member of the Board of Management.

FURTHER RESOLVED to ratify the action taken in appointing Prof. B.S. Murthy as a member of the Board of Management .

56.3 To record the notice convening the 56th Board of Management meeting scheduled on October 28, 2023.

RESOLVED to approve and record the the actions taken based on the minutes of the 55th BoM meeting held on June 26, 2023.

B. Items for Consideration and Approval

56.8 To consider and approve the minutes of 43rd Academic Council Meeting held on September 23, 2023.

A copy of the Minutes of the 43rd meeting of the Academic Council held on September 23, 2023 is placed at Appendix-C.

Prof. A.T. Ravichandran, Dean(Academics) presented the gist of the Minutes at the time of the Meeting. which covered discussions and decision taken at the Academic Council.

C. 43rd ACM Minutes

Prof. S.P. Thyagarajan pointed out that the UGC has released the guidelines for Multiple Entry and Exit in Academic Programmes offered in Higher Education Institutions. This facilitate removal of rigid boundaries / restrictions in order to create new possibilities for students to learn their subjects of their choices. He opined that Vel Tech might explore the feasibilities for implementing the UGC guidelines accordingly. Prof. B.S.R. Murty pointed out that the importance of flexible learning for the award of diplomas and degrees. He states that 50 % of the total credits may be enough for students to be considered for a break up of study and to come back for completing the prograamme within a stipulated time. 75% of credits can be considered for the award of B.Sc. degrees and possession of 50% credits can be considered for award of Diplomas and possession of 100% of credits for award of B.Tech.

Prof. B.S. Murty also suggested that the Student should be allowed the freedom of choosing credits to complete the programme either in the core discipline or collectively from all disciplines to fulfil the total credit requirement and in such cases the students might be awarded B.Tech. in Engineering Sciences by not stipulating the possession of required number credits in that particular Core discipline only so that a student cannot stay in the Institution for long time for the sake of securing the degree.

Prof. B.S.R. Murty has also suggested to award Double Degree to those students who want to graduate on completion of required credits in two discipline as like in NITs and IITs. The students need to complete all required coursework and credits for each of their majors and those majors can either be related or entirely different Prof. Jagadeesh Kumar has endorsed the proposal of Prof. B.S.R. Murty.

RESOLVED to and approve and record the minutes of 43rd Academic Council Meeting held on September 23, 2023.

56.9 To consider and approve the results of the Ph.D. viva-voce conducted since the last BoM meeting held on June 26, 2023.

The particulars of the results of the Ph.D. viva-voce conducted since the last BoM meeting held on June 26, 2023, furnished by the Controller of Examinations is placed below at Appendix D.

RESOLVED to approve and record the results of the Ph.D. viva-voce conducted since the last BoM meeting held on June 26, 2023.

D. Ph.D. viva-voce Results

56.10 To consider and approve the minutes of 21st Meeting of IQAC held on September 23, 2023.

The 21st meeting of IQAC was held on 12.08.2023. The major discussion at the meeting is about the following items.

1.Measures were taken to improve full-time Ph.D. in the AY 2023-24.

2. Plan of action/ Action taken on the Academic Audit for the AY 2022-23.

3. The faculty contribution in Projects, Publications & Patents - A comprehensive analysis for the CY/ FY/ AY 2022-23.

4. The questionnaire prepared for Administrative Audit for the Office of Controller of Examinations.

E. 21st Meeting of IQAC

Dr. M. Rajeevkumar, Dean (Quality Assurance) has presented the significant issues discussed in the IQAC meeting in detail. Prof. S.P Thyagarajan, the external member pointed out that the IQAC minutes should contain the discussions which are discussed at the BoM Meetings, He reminded that it was discussed at the BoM Meetings especially with regard to advisories of the BoM in preparing robust common data to be submitted to NIRF and other Ranking agencies for improving the Ranking status. Those things have to be brought to the notice of the members of the IQAC so as to explore possible ways and means to improve the quality. The other suggestion given by the External member was the need of administrative and academic Audits, Prof. S.P. Thyagarajan insisted that both administrative and academic audits should go hand in hand for the betterment of the eco system of the academia.

RESOLVED to approve and record the minutes of the IQAC meeting held on September 23, 2023.

- 56.11 To review and approve the Annual Quality Assurance Report (AQAR) for the Academic Year 2022-23.

In continuation with the Second Cycle of Accreditation by National Assessment and Accreditation Council (NAAC) with grade ‘A++’ and “3.53 CGPA”, the Annual Quality Assurance Report (AQAR) has to be submitted annually to the NAAC through its portal. The AQAR helps to systematically review the institutional growth in all the seven criteria identified by NAAC after accreditation. The AQAR data for the Academic Year 2022-23 was collected from the Academic departments & Functional divisions. The Office of Quality Assurance has consolidated and reviewed the quantitative metrics with respect to the University benchmarking released by the NAAC.

The AQAR report for the Academic Year 2022-23 has been presented by Dr. M. Rajeev Kumar, Dean Quality Assurance.

Prof. S.P. Thyagarajan suggested that The AQIR report should be prepared by taking in to consideration of the mandate of the NAAC. The IQAC should take much care in preparing the IQAR metrics wise in a column manner to work out as what the Institution has proposed to achieve, steps taken towards achievement of targets, Deficiencies in the process and the plan as how to overcome those shortcomings. The efforts should be dynamic and not mechanical.

RESOLVED to approve the the Annual Quality Assurance Report (AQIR) for the Academic Year 2022-23.

- 56.12 To consider the proposal for the conduct of 13th convocation to be held on 3rd and 4th November 2023 and conferral of the Degree of Doctor of Science (Honoris Causa) upon Dr. T. Sitaram, Chairman, AICTE & Dr. K.N. Satyanarayana, Director, Indian Institute of Technology Tirupati at the Convocation ceremony on 3rd & 4th November 2023.

Prof. E. Kannan informed that the 13th Convocation of Vel Tech has been scheduled to be held on 3rd and 4th of November 2023. Prof. T.G. Sitaram, Chairman, AICTE has consented to be the Chief Guest of the 13th Convocation and he will deliver convocation address on 3rd November 2023. Prof. T.G. Sitaram has been asked to inform his willingness to accept the honorary doctorate to be conferred on him at the first day of the convocation. Though reply has not been received, he expressed that hopefully the chief guest would accept the offer.

Prof. E. Kannan has also informed of the proposal of conferral of honorary degree (honoris Causa) on Dr. K.N. Satyanarayana, Director, Indian Institute of Technology Tirupati for his outstanding contribution in Building Technology & Construction Management at the Convocation ceremony on 4th November 2023. He would be the chief Guest for the Convocation and he would deliver the Convocation address at the Convocation ceremony to be held on 4th November 2023.

Prof. E. Kannan has presented the profile of the Chief Guests and other particulars related to the 13th Convocation in detail Appendix-G.

G. Profiles

RESOLVED to approve and record the proposal for the conduct of the Annual 13th Convocation and conferral of the Degree of Doctor of Science (Honoris Causa) upon Prof. T.G. Sitaram and Dr. K.N. Satyanarayana, at the Convocation ceremony on 3rd November 2023 & 4th November 2023

- 56.13 To consider and approve the award of degree to the Graduands of UG, PG and Ph.D. programmes in the 13th Convocation to be held on 3rd and 4th November 2023.

Dr. R. Sivaraman, Controller of Examinations furnished the tentative number of graduands to receive degree at the 13th Convocation of Vel Tech to be held on 3rd and 4th of November 2023 as detailed below.

Table 2: Award of Degrees at the 13th Convocation

Dr. B.S.R. Murty pointed that the number of candidates qualified under the Ph.D. category shown in the list of graduands was comparatively low while comparing the total number of Ph.D. candidates admitted to the Institution every year. He suggested that the candidates should be asked to complete the Ph.D. on time. He pointed out the importance of assistance to be given to the Research scholars at the Doctoral committee meetings in order to motivate them to complete the degree without taking much time in this process.

RESOLVED to approve and record the award of degree to the Graduands of UG, PG and Ph.D. programmes in the 13th Convocation to be held on 3rd and 4th November 2023.

C. Items for Ratification

- 56.14 To ratify the recommendations of the Faculty Selection Committee since last meeting of the BoM held on June 26, 2023.

Prof. E. Kannan presented the details of the new faculty members appointed in the places of those who left due to various reasons. The new faculty members selected based on the recommendations of the Faculty Selection Committee for the consequential vacancies are given in Appendix-H.

H. Faculty Selection Committee

RESOLVED to approve and record the recommendations of the Faculty Selection Committee since last meeting of the BoM held on June 26, 2023 .

D. Items for Reporting

- 56.15 To report the status of uploading information relating to B.A.,LL.B.(Hons.) and B.Com., LL.B.(Hons.) Programmes in the Bar Council of India (BCI) portal for obtaining Extension of Approval (EoA) from BCI.

Prof. E. Kannan informed that the process of uploading of information relating to B.A.,LL.B.(Hons.) and B.Com., LL.B.(Hons.) programmes in the Bar Council of India (BCI) portal was completed successfully and the institution has received the Extension of Approval on 27.10.2023 for the two Law Programmes.

RESOLVED to record the status of uploading of information relating to B.A.,LL.B.(Hons.) and B.Com., LL.B.(Hons.) programmes in the Bar Council of India (BCI) in the BCI portal and Extension of Approval for two Law Programmes from Bar Council of India for the Academic year 2023-24.

56.16 To report and record the status of the Admissions to different UG/PG programme of the Academic Year 2023-2024.

The Minutes of of various non-statutory / Advisory committees are given in the links. The activities of the different non statutory committees held during 2022-23 are given in the minutes of the respective committees in the corresponding hyperlinks. Prof. E. Kannan presented the significant activities of these committees at the time of the meeting.

RESOLVED to record the activities of different non statutory committees and the minutes of the meeting of the respective committees..

56.18 To report and record the letters received from MHRD/ UGC/AICTE/ BCI/ Govt. of Tamil Nadu etc., and action taken thereof.

Prof. E. Kannan has presented the details of the letters received from the MHRD/ UGC/AICTE/ BCI/ Govt. of Tamil Nadu etc., and action taken thereof.

The Action Taken Report on the letters received / submitted from MHRD/ UGC/ AICTE/ BCI / Govt. of Tamil Nadu since the last BoM meeting held on April 8, 2023 are given below:

The Link address of the Vel Tech official postal and the details of the Ombudsman were sent to UGC on 12.08.2023.
3.	AICTE	F. No: AICTE/P&AP/ NCrF 2023 dated on 17.07.2023	Operationalization of National credit Framework (NCrF).	Prof. Dr. A. T. Ravichandran, Dean (Academics) has attended the offline meeting connected with National credit Framework (NCrF) on 18.07.2023.

RESOLVED to approve and record the the Action Taken Report on the letters recieved from MHRD / UGC /AICTE / Govt. of Tamil Nadu since the last BoM held on April 8,2023.

F. Concluding

56.19 Any other suggestions with the permission of the Chairperson.

Dr. B.S.R. Murty pointed out the importance of support for research and Research Publications, citations and he suggested that all possible measures to be taken to improve this area for the sustained growth and reputation of the Institution. Prof. S.P. Thyagarajan pointed out that having diverse range of journals including Q1, Q2, Q3 offers several advantages enabling the researchers at different stages of their career to publish their work to get more inclusive and supportive research environment. It allows for broader scope of research by providing opportunities for researchers at different stages to their career to publish their work with the supportive research environment.

56.20 To consider and approve the date for holding the next BoM meeting during the month of December 2023.

It has been decided to have the next meeting of the BoM in the month of January 2024 subject to the availability and convenience of the members which will be confirmed at the time of the meeting.

Vote of Thanks.

Prof.E.Kannan thanked all the members particularly the External members for attending the meeting of BoM amidst their busy schedules. Prof. E. Kannan assured that the suggestions and inputs given by the members would be taken into account and included in the minutes, which would be sent to all the members for approval in due course. Prof. Kannan thanked all the staff involved in the successful conduct of the BoM meeting. With the vote of thanks of Prof. E. Kannan, the meeting has come to a close.

Quorum was present.

The meeting was called to order.

The Vice Chancellor welcomed the members who were present.

The Agenda was taken up for discussion.

The Vice Chancellor presided over the meeting.

31.1 To record the notice of convening 31st Meeting of the Finance Committee scheduled on November 25, 2023.

A copy of the 31st Finance Committee meeting notice sent to the members by mail is placed at Appendix-A.

A. 31st FCM Notice

RESOLVED to record the notice of convening 31st Meeting of the Finance Committee scheduled on November 25, 2023.

31.2 To approve and record the Agenda of the 31st Meeting of the Finance Committee scheduled on November 25, 2023.

The Agenda of the 31st Meeting of the Finance Committee is given in the page number 1.

RESOLVED to record Agenda of the 31st Meeting of the Finance Committee scheduled on November 25, 2023..

31.3 To review the action taken on the decisions of the previous meeting held on March 27, 2023.

The Action Taken Report on the items of the previous Finance Committee meeting held on March 27, 2023 is given below:

Table1: Action Taken Report

Item.No	Item	Decision Taken	Action Taken
30.6	To discuss and approve the Proposed Budget for the Financial year 2023-24.	The Finance Officer has presented the salient features of the Budget 2023-24 at the time of the meeting. After elaborate discussion on the budget allocations provided under different Account heads, the Finance Committee accepted the Budget of 2023-24.	The Finance committee has recommended to placed the Proposed Budget before the Board of Management. The Board of Management at its 54 th meeting held on 08.04.2023 approved the Proposed Budget for implementation.
30.7	To approve and record the Audited Balance Sheet for the Financial Year 2021-22.	The Finance Committee approved the Audited Balance Sheet for the Financial Year 2021-22.	RECORDED
30.8	To approve and record the Internal Audit report of the Accounts pertaining to the Financial Year 2022-23.	The Finance Committee approved the Internal Audit report of the Accounts pertaining to the Financial Year 2022-23.	RECORDED

RESOLVED to record Action Taken Report on the Agenda items of the previous Finance Committee meeting held on March 27, 2023.

31.4 To inform the Committee about the leave of absence of the members.

All the members of the Finance Committee were present for the Meeting..

31.5 To approve and record the minutes of the 30th meeting of the Finance Committee held on March 27, 2023.

A copy of the minutes of the 30th FC minutes is placed below at Appendix-B.

B. 30th FCM Minutes

RESOLVED to approve and record the minutes of the 30th meeting of the Finance Committee held on March 27, 2023.

31.6 To approve and record the actual expenditure and committed expenditure for a period from April 01, 2023 to October 31, 2023.

The Finance Officer has presented the actual expenditure and committed expenditure in detail for a period from April 01, 2023 to October 31, 2023 at the meeting as in the Appendix-C given below:.

C. Actual expenditure and Committed expenditure

RESOLVED to approve and record the actual expenditure and committed expenditure for a period from April 01, 2023 to October 31, 2023.

31.7 To approve and record the Re-appropriation of Budget 2023-24 based on status of expenditure and committed expenditure under different account heads.

The Finance Officer has presented the Re-appropriation of Budget 2023-24 based on status of expenditure and committed expenditure under different account heads at the time of the meeting.

The Finance Committee after perusal of various aspects and the merit of the expenditure, has approved the Re-appropriation of Budget 2023-24 submitted by the Finance Officer.

It has been decided to inform the Deans, HoDs and HoS with regard to the changes made in the Budget of 2023-24 and adoption of the same accordingly as in Appendix-D given below:

D. Re-appropriation of Budget 2023-24

RESOLVED to approve and record the Re-appropriation of Budget 2023-24 based on status of expenditure and committed expenditure under different account heads.

31.8 To approve and record the Audited Balance Sheet for the Financial Year 2022-23.

The Finance Officer has presented the Audited Balance Sheet for the Financial Year 2022-23 at the time of the meeting as in Appendix-E given below:.

E. Audited Balance Sheet FY 22-23

RESOLVED to approve and record the Audited Balance Sheet for the Financial Year 2022-23.

31.9 Any other items with the permission of the Chairperson.

No items other than those submitted at the meeting have been taken up for discussion.

31.10 To fix the date for holding the next Finance Committee Meeting.

It has been decided to hold the next Finance Committee meeting in the month of March 2024.

VOTE OF THANKS

The Finance Officer extended thankfulness to all the members of the Finance Committee to attend the meeting and offer their valuable suggestions. With the Vote of thanks, the meeting as come to a close.

5 Days Value Added Course on PYTHON FOR MACHINE LEARNING: A HANDS-ON INTRODUCTION

Dates: 9, 10, 15 & 16 September 2023

Learning Objectives

- Develop strong Python programming skills.
- Understand the fundamental concepts of machine learning.
- Implement basic machine learning algorithms using built-in.
- Work on hands-on projects to apply Python and ML knowledge.
- Analyze data, evaluate models, and draw meaningful conclusions.
- Acquire critical thinking, problem-solving and learning abilities.

Course Content

- Understanding and Handling different types of data using Python programming.
- Introduction to Machine Learning, Implementing basic machine learning models in python.
- Naïve Bayes, Zero Shot at networks - Classification model.
- Introduction to CNN Models, Hands-on TensorFlow project on Image classification.

Pre-requisite

- Basic Programming Knowledge
- Mathematics Fundamentals
- Python Basics
- Data Analysis Basics (Optional)
- Curiosity and Willingness to Learn

Timing: 9 am to 4:30 pm
Duration: 30 Hours

5 Days Value Added Course on Real time applications using LabVIEW

Organized by
The Centre for Virtual Instrumentation

OVERVIEW

LabVIEW (Laboratory Virtual Instrument Engineering Workbench) is a Graphical Programming language that uses icons instead of text-based language. LabVIEW is used for data acquisition, signal processing, image processing, LabVIEW with MATLAB and real time control applications are used for variety of IoT as well as pure microcontroller based systems. Arduino, R, NodeMCU, Easy programming concepts are covered with some industrial applications. The topics in this program will be explained with PPTs, relevant videos and LabVIEW simulation software.

HIGHLIGHTS:

- LabVIEW programming steps are modeled with real time industrial applications.
- The course is delivered through direct demonstration and also with third party hardware.
- End of this 5 days programme a real time case study on various industrial systems have been discussed the program.
- Industry Certificate will be issued on completion.

DURATION: 30 Hours - 5 Hrs/Day
Dates: 8th, 9th, 15th, 22nd & 23rd September 2023.
Pre-requisite: Basic programming (C/C++)

COURSE CONTENT

- LabVIEW introduction
- Signal processing and real time applications
- Image processing with real time camera vision acquisition
- IoT based LabVIEW with Raspberry
- DAQ real time case study with LabVIEW

OUTCOMES

- At the End of the Course, the Learner Will
- Have an overview of signal & image processing and how they are used in industries.
- Understand the interfacing of I/O components and computer with LabVIEW.
- Develop real time application using LabVIEW with embedded systems & IoT.

VISAI 14th International Engineering Project Competition & Exhibition

- 8 Themes
- 18 Problem Statements
- 4 Industries floated PS
- 15 Juries from Corporate
- 240 Abstracts received
- 50 Colleges registered till date
- Prize worth Rs. 25 Lakh

The poster for VISAI 2024 features a white background with a subtle geometric pattern. At the top, it displays logos for the Government of India, Ministry of Education, and the Department of Higher Education, Government of Tamil Nadu. It also includes the Vel Tech logo, the NAAC A++ accreditation, and the UGC logo. The central text reads 'VISAI 2024' in a large, stylized font, with '14th International Project Competition & Exhibition' below it. The dates '23rd & 24th February' are prominently displayed in red. The poster lists two categories: 'Hackathon Projects' and 'SDG Projects on any theme'. A blue box highlights 'Problem Statements given by Industries as student projects'. A red circular badge states 'WIN CASH PRIZE MONEY WORTH OF ₹ 2.5 LAKHS'. A QR code is labeled 'SCAN ME! TO REGISTER'. At the bottom, it specifies the last date of abstract submission as 25th January 2024 and acceptance notification as 31st January 2024. Contact information for registration and queries is provided at the very bottom.

Activities planned for 2023-24 Winter Semester

SoC

1. 5 Specialized courses
2. 6 Industry Experts Guiding 72 batches of 3rd year students with 12 projects on recent topics by each expert
3. 4 Experts were added as BoS member
4. Complete course on Generative AI and MLOPS were handled by Industry Experts
5. Industry Advisory Board was framed for SoC
6. Value added Courses on AI & LabVIEW

SoEC

1. 5 Specialized courses
2. In Plant Training planned for 490 students (400 – ECE, 30 – EEE, 30 – Biotech & 30 – Biomedical)
3. 2 Workshops planned
4. Introducing new course on Low power VLSI Design by Industry expert
5. 4 Industrial Visit arranged for ECE
6. Training programs in IoT and PCB Facility

SoMC

1. 4 Specialized courses
2. In Plant Training planned for 90 students (30 – Aero, 30 – Mech & 30 – Civil)
3. 2 Industrial Visits planned
4. Planning for ASDC Training on Welding and CNC

Office of International Relations

Presented By

Dr. P. Suresh

Dean - International Relations & HRDC

Professor – Electronics & Communication Engineering

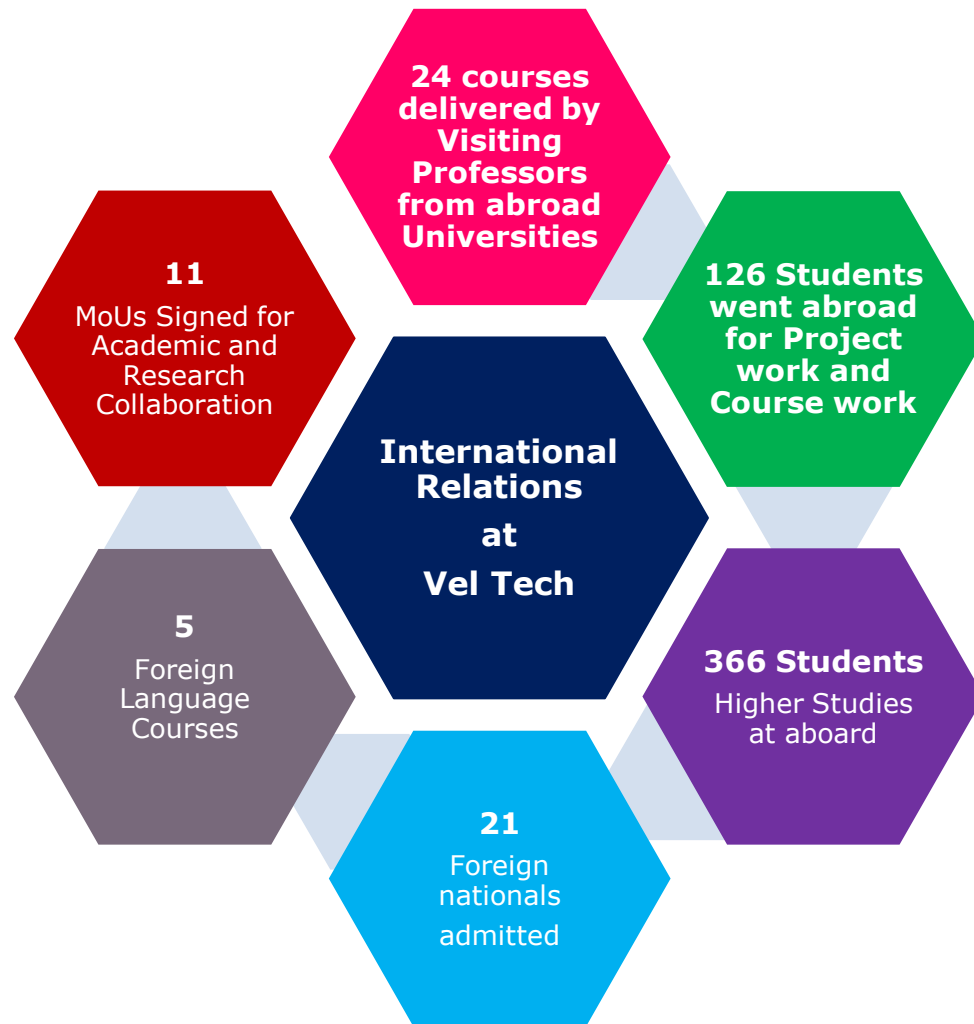

Agenda

57.10	To discuss the significant activities of the office of International Relations during the Academic year 2023-24 and proposed futuristic activities.
--------------	--

**Activities followed
in the Academic
Year 2023- 24**

Highlights of International office for the AY 2023-2024

- **11 MoU** signed with universities/organizations worldwide to enhance academic and research collaboration.
- **853 students** benefited through 24 course delivered under IHL category by the professors from the abroad universities.
- **284 students** learned the foreign language course in German, French, Mandarin Chinese, Spanish and Japanese.
- **366 Students** offered abroad Higher Studies of 2023 graduates.
- **126 Students** traveled abroad for Summer Program, Research Internship and Semester Abroad Program.
- **21 Students** admitted in VelTech to pursue various degree program from the different countries
