Avadi, Chennai-600062, Tamil Nadu, India

**School of Computing**  
**Department of Computer Science & Engineering**

**Industry Feedback on Curriculum**  
**Summer Semester 2024-2025**

The industries are the most important stakeholders of B. Tech Computer Science and Engineering Programme. Suggestions collected in the form of structured feedback from the industries. We have received 10 feedbacks from industry experts on curriculum and the major suggestions are listed below:

1. Recommended to include courses which are related to industry standard.
2. Suggested to organize workshops and seminar with the industry leader.
3. Recommended to incorporate Generative AI along with use cases in the curriculum to enhance students' skill.
4. Proposed to include courses to equip students with knowledge to analyse large financial datasets, predict financial trends through case studies.
5. Recommended to equip students with Augmented Reality and Virtual Reality concepts with Use Case Approach.
6. Suggested to include courses like IOS with real-time applications.

**Prof. N. Vijayaraj**  
Head of the Department  
Computer Science and Engineering
